*Maryland Documents* is compiled each month for the members of the General Assembly under Section 2-1246 of the State Government Article. Occasionally information is included about non-Maryland publications of special interest.

Members of the General Assembly may borrow or request copies of the publications from Library and Information Services, Office of Policy Analysis, Department of Legislative Services. Other requests should be directed to the issuing agency which may charge for certain publications. Source contact telephone numbers for these agencies are listed for each item. Items without source contacts may be used in the department's library or borrowed through Interlibrary Loan from another library.

Entries are derived from the department library's online catalog. Publications may be located in the library by using the call numbers at the end of each item. These call numbers are for the department library's use only. Please be aware that entries in *Maryland Documents* are subject to change, including call numbers. Please check the department library's online catalog before attempting to locate a publication, or allow library staff to assist in the retrieval of the publication.
