Due to the Maryland legislature and the Maryland State Department of Education **December 1, 2025**

## **Section § 5-111.1 of the Education Article, Annotated Code of Maryland**

In 2017, the Maryland General Assembly Enacted Section § 5-111.1 of the Education Article, Annotated Code of Maryland, which requires local Boards of Education to report information relating to the provision of specialized intervention services beginning with the 2018-2019 school year. The Maryland State Department of Education was required to establish guidelines for the report that each county board is required to submit to the General Assembly. The following format is provided for that use.

**(2) need additional academic and (or) behavioral supports to succeed in a core curriculum and differentiated instruction general education environment; *and***

**(3) receive additional academic and behavioral support in small groups or individual settings at least three times each week for at least 90 minutes each week for a period of at least ten weeks during a school year.**
