RE: Housing and Community Development Article § 4-2003 subsection (a)(5) report for period January 2020 through June 30, 2020

Dear Mr. President and Madam Speaker:

This report is intended to satisfy reporting requirements of the Energy Efficient Homes Construction Loan Program. For the covered reporting period 1/1/2020 through 6/30/2020, two projects have been partially funded during this time period with no registered MBE participation.

Efforts to increase MBE participation include working with our Office of Fair Practices. During this period we have also developed a marketing outreach form and updated the program guide to include an evaluation metric in the application ranking process on future recommendations for awards. To date there is no measurable impact to the participation of minority business enterprises in the Program.

If you have any questions on this or any other matter, please contact me at (301) 429-7796 or by email at Matthew.Heckles@maryland.gov at your convenience.

Sincerely,

Matthew Heckles
