COMMUNITY LEGACY ANNUAL FINANCIAL REPORT AS OF JUNE 30, 2012

Introduction

This report summarizes the financial status of the Community Legacy Program as of June 30, 2012, including the following information required by the Housing and Community Development Article Section 6-210(b):

- The amount and type of financial assistance encumbered and disbursed;
- The number of applications received;
- The number and location of Community Legacy areas designated; and
- The summary of quarterly reports submitted by each sponsor.

Background

The Community Legacy Program, created in 2001, assists urban neighborhoods, suburban communities, and small towns that are experiencing decline and disinvestment, but which have the potential, with modest public and private investment, to once again become vibrant places for Marylanders to live, work and prosper. Indications of decline include dropping property values, population loss, decreasing income and education levels, and increasing housing and commercial vacancies. Indications of community strength include proximity to town centers, major employers, educational or other institutions; partnerships with local banks, other businesses, and community organizations; and, community leadership.

In order to be eligible for funding, communities must develop a multi-year comprehensive revitalization strategy that is an ambitious, but achievable, response to local needs. By offering funding for diverse initiatives over time, Community Legacy helps build the momentum necessary to reverse community decline and attract private sector reinvestment.

Administration

The Community Legacy Program is administered by the Department of Housing and Community Development's (DHCD) Division of Neighborhood Revitalization (NR), with assistance from other divisions in DHCD. One competitive funding round is held annually. After applications are reviewed by NR for conformity with basic criteria, the qualified applications are assigned to review teams comprised of staff from DHCD and other State agencies to conduct site visits and develop funding recommendations.

Sustainable Communities Act of 2010 (House Bill 475)

The 2010 Sustainable Communities Act (House Bill 475) contained a number of changes to the Community Legacy Program, including terminating the Community Legacy Board effective June 1, 2010. This affects Community Legacy Program approval processes as follows:

- DHCD will receive applications and consider any recommendations from a State unit or a member of the Smart Growth Sub-Cabinet.

COMMUNITY LEGACY ANNUAL FINANCIAL REPORT AS OF JUNE 30, 2012

- The DHCD Secretary now has the authority to award financial assistance in the amount and type determined under the terms of the Community Legacy Program.
- The DHCD Secretary may consent to modifications to any awards.

In addition, effective June 1, 2010, all Community Legacy Areas and Designated Neighborhoods received interim re-designation as Sustainable Communities. This new, consolidated designation will be easier for program users to understand and will simplify program administration for both State and local governments.

The interim Sustainable Communities designation will continue for a transition period, during which time local governments will have the opportunity to apply for continued designation. The term of the transition period was extended in the 2012 Legislative Session by HB 1327 to December 31, 2013.

An application procedure has been developed for local governments to request continued Sustainable Communities designation beyond the transition period. DHCD is now accepting applications for Sustainable Communities designation on rolling basis.

Applications for Sustainable Communities designation will be reviewed by an interagency panel led by the Maryland Department of Housing and Community Development and must be approved by the Governor's Smart Growth Subcabinet. Newly approved Sustainable Communities (those that apply after June 1, 2010) will retain their designation for a period of five years.

Sustainable Communities will also include designated Transit Oriented Development Zones (TOD) and Base Realignment and Closure Zones (BRAC). These areas automatically became Sustainable Communities effective June 1, 2010 and do not need to reapply for continued designation.

Distribution and Allocation of Community Legacy Awards

Attachments 1 and 2 reflect the maps that show Community Legacy Awards by County, the first map for FY 2012, the second for the period of FY 2002 through FY 2012.

In the Fiscal Year 2012, the Community Legacy Program awarded \$4.25 million in capital funds, with no authorization for operating awards. Attachments 3 and 4 provide a complete list of applications, including both funded and non-funded projects respectively.

In FY 2012, DHCD received 48 applications seeking \$13.2 million for 102 projects to support a broad range of activities aimed at boosting investments in targeted areas. The demand for the Community Legacy Program was more than three times the funds available for award.

Applicants included municipal and county governments, community development organizations, and Community Development Financial Institutions (CDFI). Only 50 of the 102 individual project requests were able to be awarded due to limited funds.

COMMUNITY LEGACY ANNUAL FINANCIAL REPORT AS OF JUNE 30, 2012

Disbursement Status of Community Legacy Awards

The Community Legacy Program is intended to fill gaps in other public and private funding sources. As a result, Community Legacy funds are normally not the only funding source or the primary funding source. By design, Community Legacy agreements allow for the on-going nature of revitalization projects as well as the gap-financing role of Community Legacy. An overview of the disbursement status of all prior Community Legacy rounds follows.

As illustrated in Attachment 5, 90% of the CL capital funds awarded from FY 2002 through FY 2012 have been fully disbursed. Agreements for FY 2012 were executed towards the end of the fiscal year and as a result, the disbursements were in the very early stages as of June 30. Therefore, when calculating CL capital funds awarded from FY 2002 through FY 2011, 97% have been fully disbursed. Project balance is included for both capital and operating by Fiscal Year.

NOTE: All disbursements are calculated as of June 30, 2012. The Community Legacy disbursements are processed by the Community Legacy Project Managers once a request for payment with back-up documentation has been received from the awardee. Depending on the type of project, the awardee may have several draw requests for a given project.

Summary of Quarterly Reports

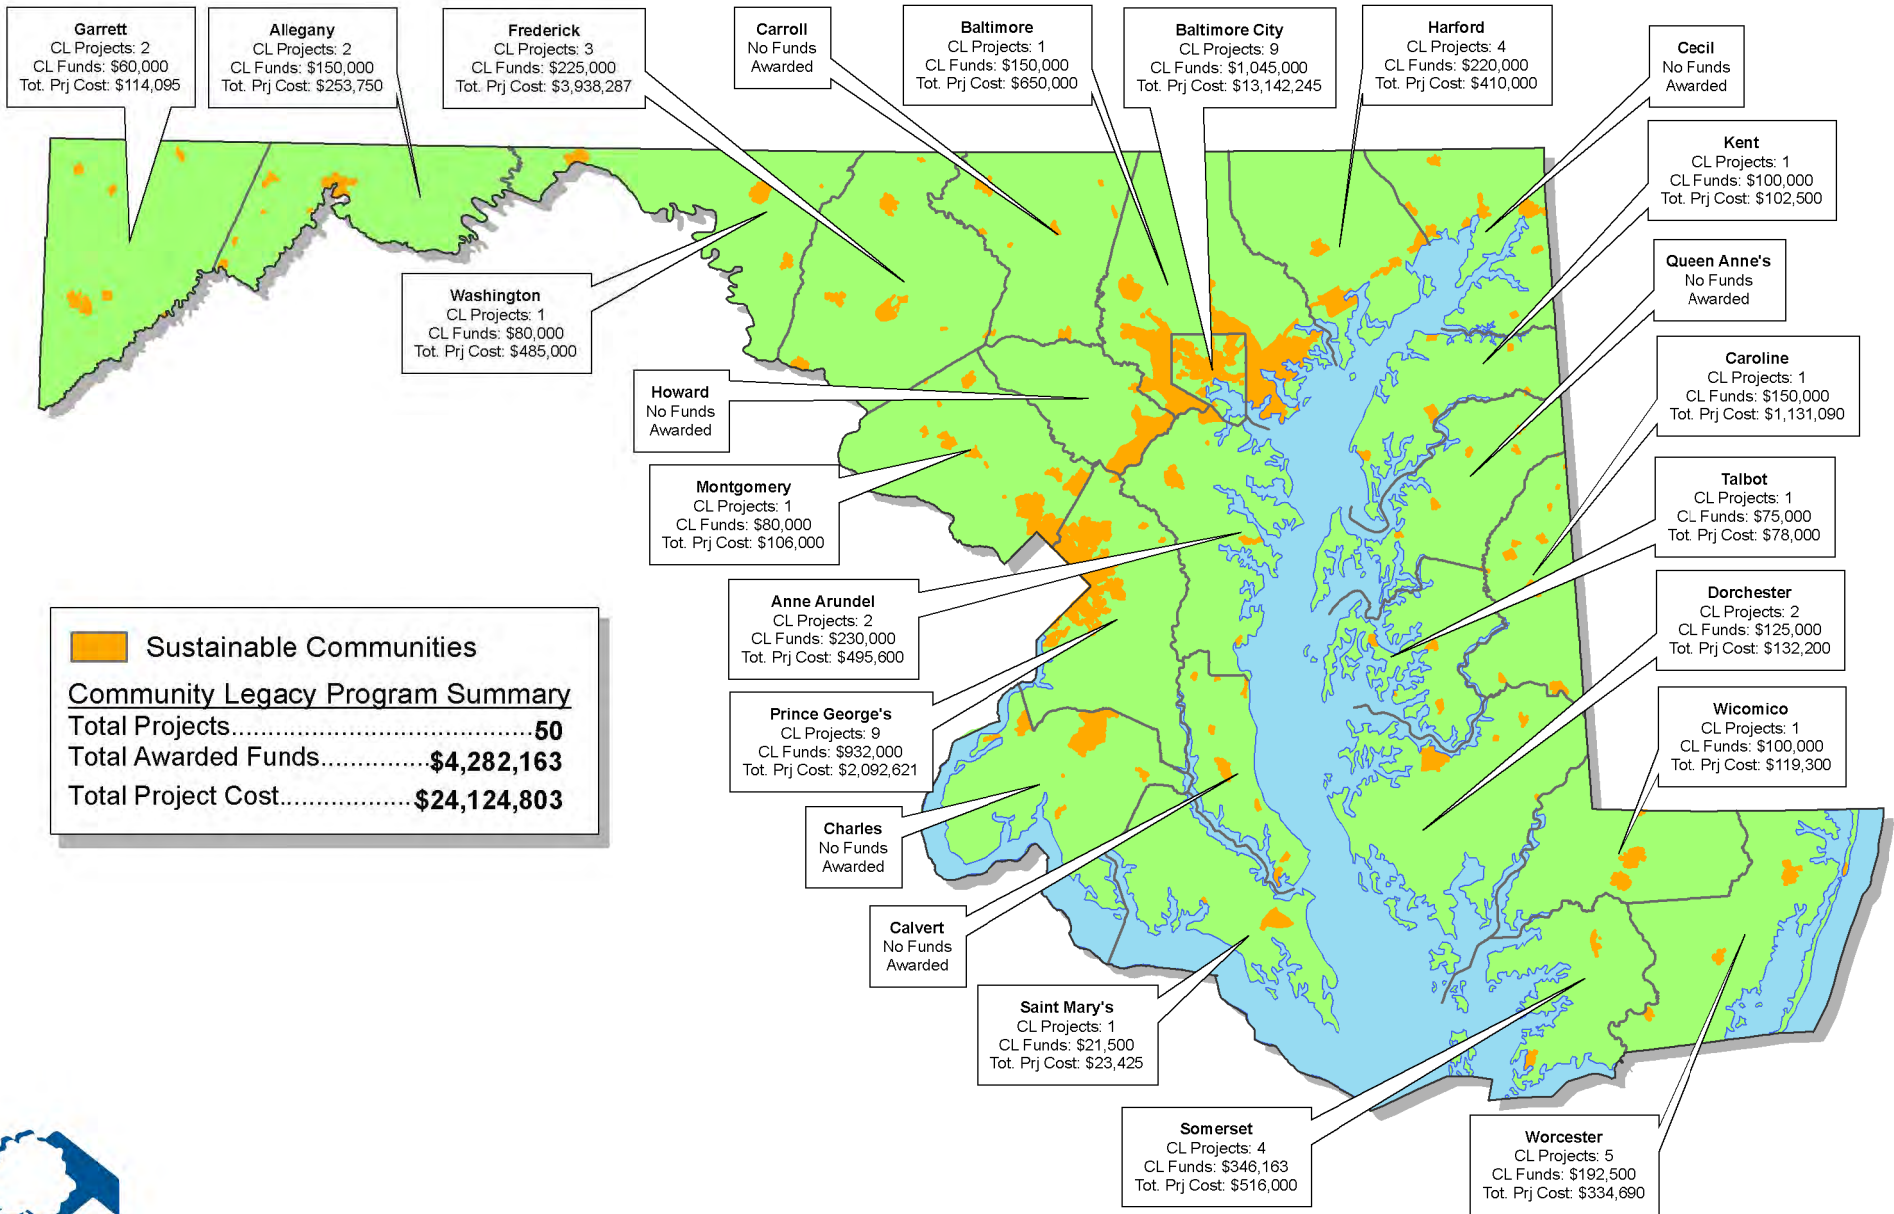

Quarterly reports are submitted by Community Legacy recipients beginning with the end of the first quarter after the Community Legacy agreement is fully executed. Attachment 6 details the summaries and the project status for each of the 155 Community Legacy Awards with an unexpended balance during FY 2012. Of these projects, 14 (9%) received an approved modification to change the scope, repayment terms or the project timeline.

 FY 2012 Projects with Balances

FY	AWARDEE	PROJECT#	PROJECT DESCRIPTION	AWARD	STATUS 6/30/2012	MODIFICATION
2007	Mount Rainier, City of	52801	Construction of a mixed-use building to create a new state of the art library, condo units and a commercial retail facility.	\$130,000.00	This project is complete and funds have been drawn down. The Town is acquiring a new building to complement the existing buildings in this mixed-use project.	
2007	Salisbury, City of	52901	Isabella Streetscape Phase II - continued streetscape improvements on Isabella Street with the addition of traffic slowing curbarature, landscaping, additional sidewalk and a retaining wall.	\$50,000.00	The project is complete. City of Salisbury continued with Phase II of the streetscape improvements. The project included additional curb bump-outs and landscape improvements.	
2007	Seat Pleasant, City of	53701	Acquisition and rehabilitation of vacant properties to increase tax revenue and encourage investment in the City of Seat Pleasant.	\$100,000.00	The project is complete and all funding has been drawn down. The City purchased and rehabilitated a home for sale to a low to moderate income homeowner. The City also provided energy efficient retrofits to over 10 Senior Citizens homes.	
2008	Aberdeen, City of	60501	Implement Façade Improvement Program in the Aberdeen Community Legacy Area.	\$100,000.00	The project is complete. Seven façade improvements were funded with this award.	
2008	Cumberland, City of	60303	Implementation of infrastructure to improve the Virginia Avenue Corridor.	\$125,000.00	The project is complete. This work has helped toward improving the neighborhood for citizens and business owners, making it more attractive for additional private investment.	
2008	Cumberland, City of	60307	Acquisition and rehabilitation with the Cumberland Neighborhood Housing Services for the North Center Street/North Mechanic Street corridors.	\$100,000.00	The project is complete. The project has helped this region of the City immensely.	
2008	Denton, Town of	65701	Rehabilitation and relocation of historic structures within Denton's Arts and Entertainment District for adaptive reuse as artisan retail, studio, and/or retail space.	\$100,000.00	The project is complete. The contractor completed the building on time. The building will operate as the "Fiber Arts Center" and the Eastern Shore Quilters Association will operate in the building.	
2008	Hagerstown, City of	61701	Provide funding for no-interest loans to renovate upper floors for market rate housing and /or offices for new businesses.	\$100,000.00	Funds assisted with HVAC, fire suppression, and elevator needs to reach upper floors for the Hamilton housing project and the Action Products upper floor commercial condos.	
2008	Mount Airy, Town of	64402	Conduct a Downtown Master Plan for the Community Legacy Area	\$75,000.00	The project is complete.	
2008	Princess Anne, Town of	66103	Downtown Revitalization Façade & Events - Provide funding for façade improvement program and expenses related to First Friday events aimed to revitalize downtown.	\$50,000.00	The project is complete. The Town of Princess Anne has been able to assist 14 property owners in the façade improvement program.	
2008	Salisbury, City of	62102	Homeowner Conversion Grant Program - Provide funds to individuals who purchase, and occupy, homes that have been used exclusively as rental properties for at least three years prior to the purchase date.	\$50,000.00	The project is complete. The City of Salisbury assisted NHS with the demolition of three buildings. Currently, the first home was built and additional units are expected be constructed at a later date.	
2008	Unity Properties, Inc.	64901	Implement a Home Improvement program that maximizes energy efficiency, lowers utility costs, and adds value to homes in Southwest Baltimore.	\$100,000.00	Awardee has undertaken and completed home repairs, including plumbing, carpentry, and roofing on 9 properties.	

Attachment 6
 FY 2012 Projects with Balances

FY	AWARDEE	PROJECT#	PROJECT DESCRIPTION	AWARD	STATUS 6/30/2012	MODIFICATION
2009	Baltimore Development Corp.	74601	Shopping Center Transformation Initiative-Revitalize underused shopping centers in Baltimore City.	\$250,000.00	Awardee completed one Shopping Center and requested an extension on 6/29/12 to the project timeline & now the project is back on target.	Awardee was granted an extension to the timeline.
2009	Bel Air, Town of	70901	Operating funds for architectural renderings to refurbish the Bel Air Armory garages, converting them to shops and incubator spaces for emerging businesses.	\$35,000.00	Project complete - the operating funds used for architectural renderings.
