Community Legacy FY 2022 Funded Projects Attachment 3

Community Legacy Balances by Fiscal Year Attachment 4

Community Legacy Project Summaries Attachment 5

## **Introduction**

This report summarizes the financial status of the Community Legacy Program as of June 30, 2022, including the following information required by the Housing and Community Development Article Section 6-210(b):

- The amount and type of financial assistance encumbered and disbursed;
- The number of applications received;
- The number and location of Community Legacy areas designated; and
- The summary of quarterly reports submitted by each sponsor.

## **Background**

The Community Legacy Program, created in 2001, assists urban neighborhoods, suburban communities and small towns that are experiencing decline and disinvestment, but which have the potential, with modest public and private investment, to once again become vibrant places for Marylanders to live, work and prosper. A strong community is indicated by proximity to town centers, major employers, educational or other institutions; partnerships with local banks, other businesses, and community organizations; and community leadership. One aim of the program is to reduce indicators of decline, such as dropping property values, population loss, decreasing income and education levels, and increasing housing and commercial vacancies.

In order to be eligible for funding, communities must develop a multi-year comprehensive revitalization strategy that is an ambitious, but achievable, response to local needs. By offering funding for diverse initiatives over time, Community Legacy helps build the momentum necessary to reverse community decline and attract private sector reinvestment.

## **Administration**

The Community Legacy Program is administered by the Department of Housing and Community Development's (DHCD) Division of Neighborhood Revitalization (NR), with assistance from other divisions in DHCD. One competitive funding round is held annually. After applications are reviewed by NR for conformity with basic criteria, the qualified applications are assigned to review teams of staff from DHCD and other State agencies to conduct site visits and develop funding recommendations.

## **Sustainable Communities Act of 2010 (House Bill 475)**

The 2010 Sustainable Communities Act (House Bill 475) contained several changes to the Community Legacy Program, including terminating the Community Legacy Board effective June 1, 2010. This affects Community Legacy Program approval processes as follows:

- DHCD will receive applications and consider any recommendations from a State unit or a member of the Smart Growth Subcabinet.
- The DHCD Secretary now has the authority to award financial assistance in the amount and type determined under the terms of the Community Legacy Program.

- The DHCD Secretary may consent to modifications to any awards.

In addition, effective June 1, 2010, all Community Legacy Areas and Designated Neighborhoods received interim re-designation as Sustainable Communities. This consolidated designation simplified the program for users and State and local government administrators. The transition period for the interim designation was extended in the 2012 Legislative Session by HB 1327 to December 31, 2013, during which time local governments had the opportunity to apply for continued designation.

An application procedure has been developed for local governments to request continued Sustainable Communities designation beyond the transition period. DHCD is now accepting applications for Sustainable Communities designation on a rolling basis.

Applications for Sustainable Communities designation are reviewed by an interagency panel led by the DHCD and must be approved by the Governor’s Smart Growth Subcabinet. Newly approved Sustainable Communities (those that apply after June 1, 2010) will retain their designation for a period of five years.

Sustainable Communities will also include designated Transit-Oriented Development Zones (TOD) and Base Realignment and Closure Zones (BRAC). These areas automatically became Sustainable Communities effective June 1, 2010 and do not need to reapply for continued designation, although an approved plan is required to be eligible for funding.

**Distribution and Allocation of Community Legacy Awards**

**Attachments 1 and 2** reflect the maps that show Community Legacy Awards by County, the first map for FY 2022 and the second for the period of FY 2002 through FY 2022.

In the Fiscal Year 2022, the Community Legacy Program was allocated \$6 million in capital funds, with no authorization for operating awards. **Attachment 3** provides a complete list of applications, including funded projects.

FY	TOTAL ALLOCATION	AMOUNT REQUESTED	NO. PROJECTS REQUESTED	NO. PROJECTS FUNDED
2022	\$6M	\$17.42M	91	59
2021	\$6M	\$23.93M	126	68
2020	\$6M	\$35.26M	117	58
2019	\$8M	\$40.02M	139	79
2018	\$6M	\$35.40M	123	61
2017	\$5M	\$25.56M	131	67
2016	\$6M	\$17.26M	101	55
2015	\$6M	\$15.87M	115	70

In FY 2022, DHCD received 91 applications seeking approximately \$17 million for projects to support a broad range of activities aimed at boosting investments in targeted areas. The demand for the Community Legacy Program was about three times the funds available for award.

Applicants included municipal and county governments, community development organizations, and Community Development Financial Institutions (CDFI).

**Disbursement Status of Community Legacy Awards**

The Community Legacy Program is intended to fill gaps in other public and private funding sources. As a result, Community Legacy funds are normally not the only funding source or the primary funding source. By design, Community Legacy agreements allow for the on-going nature of revitalization projects as well as the gap-financing role of Community Legacy. An overview of the disbursement status of all prior Community Legacy rounds follows. Project balances are included for both capital and operating funds by Fiscal Year.

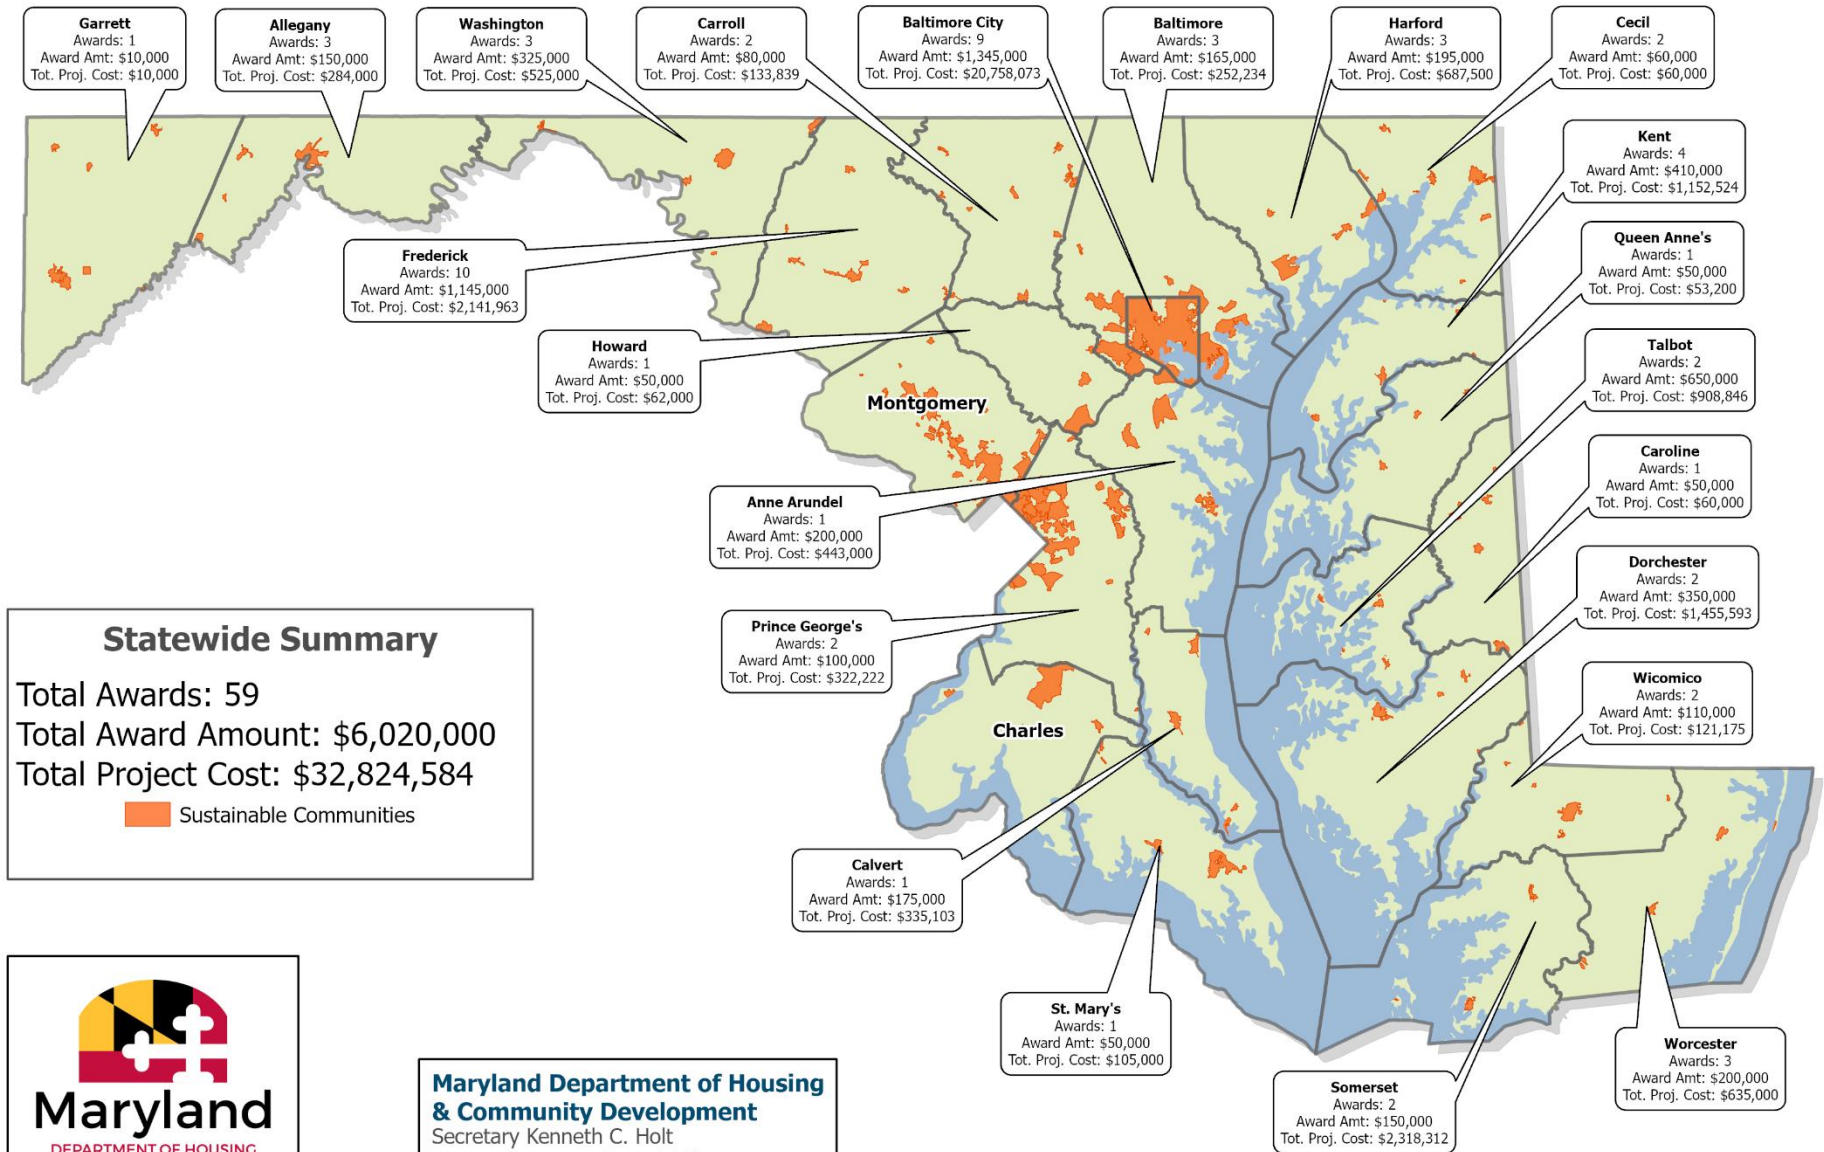

As illustrated in the chart below and detailed in **Attachment 4**, about 79 percent of the Community Legacy capital funds awarded from FY 2017 through FY 2020 have been disbursed. Agreements for FY 2021 were executed towards the end of the fiscal year and the disbursements do not demonstrate much progress as of June 30 as a result. When calculating Community Legacy capital funds awarded from FY 2017 through FY 2019, about 89 percent have been fully disbursed. Moreover, 100 percent of funds awarded in every other prior fiscal year have been fully expended.

YEAR	AWARD AMOUNT	MODIFICATIONS/ CANCELLATIONS	AMENDED AWARD AMOUNT	TOTAL DRAWN	% DRAWN	BALANCE AVAILABLE
2019	8,000,000.00	263,296.71	\$7,736,703.30	\$7,245,819.90	94%	\$490,883.40
2020	6,000,000.00	867.29	\$5,999,132.71	\$4,792,475.30	80%	\$1,206,657.41
2021	6,000,000.00	462,672.08	\$6,462,672.08	\$2,640,680.04	41%	\$3,821,992.04
2022	6,000,000.00	120,000.00	\$6,120,000.00	\$457,574.66	7%	\$5,662,425.34

**Summary of Quarterly Reports**

Quarterly reports are submitted by Community Legacy recipients beginning with the end of the first quarter after the Community Legacy agreement is fully executed. **Attachment 5** details the summaries and the project status for each of the Community Legacy Awards with an unexpended balance during FY 2019-2022. Factors related to the Covid-19 pandemic had slowed many construction project timelines, thus timeline modifications extending projects have allowed awardees to complete projects as designed.
