Eastern Correctional Institution (East/West)

ECI Annex/Poplar Hill Pre-Release

Westover, Maryland

Security Level : Pre-Release through Medium Authorized Positions: 860

Average Population: 3,310

Operating Cost: \$113,675,987

The Eastern Correctional Institution in Westover is a complex of four compounds to house male inmates ranging from pre-release to medium security, making it the largest facility in the state and one of the largest employers on the lower Delmarva Peninsula

The institution has two Maryland Correctional Enterprises operations; furniture restoration and textiles. Offenders make towels, washcloths, hats, uniform clothing and mattresses.

The facility offers academic programs ranging from adult literacy to high school equivalency diplomas. The

institution provides occupational training in carpentry, masonry, office technology, automotive repair, graphic arts, and architecture. This site also provides job readiness skills from interviewing to resume writing for offenders set to be released.

The institution offers a six-month substance abuse treatment program with aftercare, and participates in the America's VetDogs program, where incarcerated veterans train service dogs.

Offenders also work on meaningful community projects such as restoring a historic skipjack, painting schools, restoring overgrown cemeteries and playgrounds, and creating parade floats for local festivities.

Budget

2016 Highlights

- ECI developed and implemented a therapeutic community pilot program called "Breaking Bad Habits" (BBH) which has 11 peer mentors and 85 participants
- Over 4 tons of vegetables were donated to the Somerset County Health Department and the Seton Center Food Bank. The Green Gardens are providing fresh vegetables to needy families in the community, and offenders are help the community while incarcerated
- The Annex Compound's Agriculture Program donated over 800 pounds of fresh produce to Somerset County Health's Food Bank

Eastern Pre-Release Churchill, Maryland

Security Level : Pre-Release
Positions: 48
Average Population: 165
Operating Cost: \$5,865,966

The Eastern Pre-Release Unit is situated on 96 rural acres near Church Hill in Queen Anne’s County.

The facility houses Offenders preparing to be released from the correctional system. The institution offers two offender work programs. Offenders in work release are given jobs with local companies such as builders, who pay them a salary. Other offenders participate in public works projects and are paid by the state.

Inmates have been involved with restoration projects on the Bay as well as clean up of local cemeteries.

The average stay for an offender is a little over two years.

The institution offers high school equivalency diplomas for reading, writing and math.

Maryland Correctional Institution for Women

Jessup, Maryland

Security Level : Multi-Level

Positions: 365

Average Population: 800

Operating Cost: \$40,250,615

The Maryland Correctional Institution for Women (MCI-W) in Jessup is the only facility in the state that strictly houses female offenders on all security levels. The facility operates a reception, diagnostic and classification center for female offenders and houses pre-release, minimum, and maximum security inmates as well as female federal detainees.

The facility supports three Maryland Correctional Enterprises business operations including a sew shop where inmates produce flags, uniforms and embroidery for the state. A mail distribution center also operates on the site handling motor vehicle registrations, vanity plates and AIDS prevention material. The facility's AutoCAD unit maps out office space planning for state agencies and non-profit organizations.

The institutions offers a substance abuse program, GED classes and college courses through Goucher College. Inmates are also involved in bee keeping, Toastmasters, horticulture and yoga programs.

Dorsey Run Correctional Facility

Jessup, Maryland

Security Level : Minimum
 Positions: 146
 Average Population: 480
 Operating Cost: \$19,539,587

Dorsey Run Correctional Facility in Jessup is the state's newest facility, opened in 2013. The minimum security level, male populated site includes state-of-the-art camera, intercom and control systems to meet modern day correctional standards.

Inmates at the facility are preparing for release and many are assigned to outside work crews and have other job assignments to aid in their transition. The facility also provides employment readiness training in areas such as interviewing and resume writing skills. The institution provides high school equivalency diplomas for reading, writing, and math.

The facility was built out of a partnership with the federal government. The state agreed to provide security for the U.S. Marshals Service in Baltimore in return for \$20 million to help build the new institution. The facility received inmates from the former Jessup Pre-Release Unit, which is now closed.

Among the innovative programs at the facility is Knitting Behind Bars, which teaches offenders relaxation techniques. The site also hosts a Toastmasters group to teach offenders how to tell their story, and prevent others from incarceration.

Maryland Correctional Institution-Hagerstown Hagerstown, Maryland

Security Level : Medium
Positions: 566
Average Population: 1800
Operating Cost: \$71,863,022

Maryland Correctional Institution-Hagerstown (MCI-H) began construction in 1932 and is the oldest operating medium security institution in the state.

Known for its stately architecture, the institution was built by offenders with locally-quarried stone.

The institution offers Maryland Correctional Enterprises work units with specialties in metal work, meat cutting, upholstery, laundry, and recycling.

High school equivalency diplomas are offered to offenders in reading, writing, and math. The institution provides vocational training in upholstery, carpet cleaning, sheet metal and computer lab. The site offers a six-month substance abuse program and is the home to the nation's first program through which inmates

train service dogs mainly for veterans wounded in Iraq and Afghanistan as part of America's Vet Dogs (AVD).

The facility is the hub for Federal Immigration and Customs Enforcement hearings and housing, and also serves as the regional open parole hearing facility.

2016 Highlights

- Replaced roof on WPDC Support Building
- Refurbished /Reopened Annex's A -H, adding (192) medium beds
- Maintaining a PC Unit with (3) wings housing, added an additional (80) beds to unit providing (200) potential PC beds.
- MCI-H completing Phase II of a Camera installation Project
- Vet Dog Program at MCI-H, graduated (5) service dogs for disabled veterans.
- Inmate Service Groups at MCI-H raised \$4,266.74 for charitable organizations thru fundraisers.
- Murals painted within facility to enhance overall appearance
- Painting interior of Main Building, B-Hut and many office areas in efforts to improve the overall appearance of the facility.
