Eastern Correctional Institution (East/West)

ECI Annex/Poplar Hill Pre-Release

Westover, Maryland

Security Level : Pre-Release through Medium

Authorized Positions: 854

Average Population: 3,400

Operating Cost: \$115,306,954

The Eastern Correctional Institution in Westover is a complex of four compounds to house male inmates ranging from pre-release to medium security, making it the largest facility in the state and one of the largest employers on the lower Delmarva Peninsula

The institution has two Maryland Correctional Enterprises operations; furniture restoration and textiles. Offenders make towels, washcloths, hats, uniform clothing and mattresses.

The facility offers academic programs ranging from adult literacy to high school equivalency diplomas. The institution provides occupational training in carpentry, masonry, office technology, automotive repair, graphic arts, and architecture. This site also provides job readiness skills from interviewing to resume writing for offenders set to be released.

The institution offers a six-month substance abuse treatment program with aftercare, and participates in the America's VetDogs program, where incarcerated veterans train service dogs.

Offenders also work on meaningful community projects such as restoring a historic skipjack, painting schools, restoring overgrown cemeteries and playgrounds, and creating parade floats for local festivities.

	Budget
Administration	\$5,224,914
Custodial Care	\$57,552,849
Dietary Services	\$8,518,190
Plant Operation/Maintenance	\$12,860,210
Clinical/Hospital Services	\$25,508,057
Classification/Recreation/Religious	\$5,323,835
Substance Abuse	\$318,899
Total	\$115,306,954
Operating Capacity	3,400
Average Daily Population	3,400
Annual Cost Per Capita	\$33,914
Ratio of Population to Positions	3.98:1
Ratio to Custodial Positions	5.20:1

2017 Highlights

- Over 6500 pounds of vegetables, harvested by offenders, were donated to the Somerset County Health Department and the Seton Center Food Bank
- ECI has many volunteer programs for employees working to support our local community's needs through charitable activities such as Canned Food Casual Days, Turkey Fund, Somerset County Angel Tree Project, Maryland Charity Campaign and Delmarva Blood Bank Drives
- Additions to last year's activities include a toy collection for the Brooke Mulford Toy Closet at the local hospital, and a Fire Truck Pull to support Special Olympics
- The Chaplains responded to over 4.783 requests through the year. The East Compound has 19 different Faith Groups, 5 are currently active on the Protective Custody tier, the West Compound has 15 Faith Groups

Eastern Pre-Release Churchill, Maryland

Security Level : Pre-Release
Positions: 48
Average Population: 170
Operating Cost:
\$5,992,745

The Eastern Pre-Release Unit is situated on 96 rural acres near Church Hill in Queen Anne's County.

The facility houses Offenders preparing to be released from the correctional system. The institution offers two offender work programs. Offenders in work release are given jobs with local companies such as builders, who pay them a salary. Other offenders participate in public works projects and are paid by the state.

Inmates have been involved with restoration projects on the Bay as well as clean up of local cemeteries.

The average stay for an offender is a little over two years.

The institution offers high school equivalency diplomas for reading, writing and math.

2017 Highlights

- SMPRU had their MCCS Audit and received only one deficiency which was immediately brought into compliance
- SMPRU had an IWIF and Environmental Compliance and Safety inspection in March
- SMPRU was able to bring the facility into compliance with all standards within days of the initial inspection
- The Grand Jury Tour visited SMPRU in June 2017 and complimented us on the condition of the grounds, sanitation and dietary department

Jessup Correctional Institution

Jessup, Maryland

Security Level : Maximum
 Positions: 578
 Average Population: 1,735
 Operating Cost: \$74,410,904

The Jessup Correctional Institution is a maximum security facility that houses 1,735 male offenders .

The institution, which opened in 1991, is home to several Maryland Correctional Enterprises offender work programs including a sew shop that makes all inmate uniforms and correctional officer pants throughout the state.

All of Maryland's license

places are produced at the facility, which also makes furniture for state offices and Maryland colleges. The site also serves as a transportation hub for offenders going to court and medical appointments in the Baltimore/Jessup region. Additionally, the site is a direct Intake unit, receiving offenders from six counties, averaging over 100 new inmates monthly.

Budget

Administration	\$3,959,337
Custodial Care	\$42,480,175
Dietary Services	\$5,248,899
Plant Operation/Maintenance	\$6,931,749
Clinical/Hospital Services	\$13,330,112
Classification/Recreation/Religious	\$2,460,632
Substance Abuse	—

Total **\$74,410,904**

Operating Capacity	1,735
Average Daily Population	1,735
Annual Cost Per Capita	\$42,888
Ratio of Population to Positions	2.99:1
Ration to Custodial Positions	3.62:1

2017 Highlights

- Project of modernizing the electronic door control system in all housing units and multipurpose building (MPB) is complete
- 18 new digital cameras have been installed on the exterior of Housing Units
- A shower sanitation detail has been added to improve hygiene and reduce inmate complaints

Maryland Correctional Institution-Jessup

Jessup, Maryland

Security Level : Medium

Positions: 325

Average Population: 1,035

Operating Cost: \$41,808,000

The Maryland Correctional Institution-Jessup houses male offenders in a medium security facility. The average stay is 8 years.

Offenders work in two Maryland Correctional Enterprises programs at the site that include printing and graphic arts for state forms and letters.

The institution partners with Goucher College to provide a college program and is designated as the deaf and hard of hearing institution as well as the institution for inmates whose first language is not English. Dietary, vocational and maintenance training are also offered in addition to a substance abuse program.

Budget

Administration	\$1,960,224
Custodial Care	\$23,704,522
Dietary Services	\$2,782,656
Plant Operation/Maintenance	\$3,229,223
Clinical/Hospital Services	\$7,848,523
Classification/Recreation/Religious	\$2,075,291
Substance Abuse	\$137,551
Total	\$41,808,000
Operating Capacity	1,035
Average Daily Population	1,035
Annual Cost Per Capita	\$40,394
Ratio of Population to Positions	3.18:1
Ratio to Custodial Positions	3.94:1

2017 Highlights

- The Jarboe Settlement Agreement, for inmates who are medically diagnosed as deaf, conditions for care has been met. The facility has purchased and installed the following Auxiliary Aids
- Video Relay Services- Videophone
- Video Remote Interpreting- Tablets to communicate with a qualified interpreter in the absence of an onsite interpreter.
- Visual Alert/ Alarm System- Emergency Beacon Systems placed in Delta Housing West 241-24 7
- The Department has purchased Ferromagnetic mobile devices to aid in searches placed in the housing units and areas of mass movement to be conducted at random for the search of contraband.
- The facility has been updated with new commercial grade washer, dryers, and microwaves along with televisions for each housing unit pod and L2 L3 dorm; along with shower renovations to the housing units

Maryland Correctional Institution for Women

Jessup, Maryland

Security Level : Multi-Level

Positions: 360

Average Population: 810

Operating Cost: \$40,064,108

The Maryland Correctional Institution for Women (MCI-W) in Jessup is the only facility in the state that strictly houses female offenders on all security levels. The facility operates a reception, diagnostic and classification center for female offenders and houses pre-release, minimum, and maximum security inmates as well as female federal detainees.

The facility supports three Maryland Correctional Enterprises business operations including a sew shop where inmates produce flags, uniforms and embroidery for the state. A mail distribution center also operates on the site handling motor vehicle registrations, vanity plates and AIDS prevention material.

The facility's AutoCAD unit maps out office space planning for state agencies and non-profit organizations. The institutions offers a substance abuse program, GED classes and college courses

through Goucher College. Inmates are also involved in bee keeping, Toastmasters, horticulture and yoga programs.

Budget

Administration	\$2,278,246
Custodial Care	\$22,590,128
Dietary Services	\$2,928,538
Plant Operation/Maintenance	\$2,429,934
Clinical/Hospital Services	\$6,398,177
Classification/Recreation/Religious	\$2,641,420
Substance Abuse	\$797,665

Total

\$40,064,108

Operating Capacity	810
Average Daily Population	810
Annual Cost Per Capita	\$49,462
Ratio of Population to Positions	2.25:1
Ratio to Custodial Positions	2.93:1

2017 Highlights

- MCIW has a beekeeping program run by the inmate population. The beekeeping project has been featured on several media presentations. Globally the bee population is declining and is negatively impacting the world's food source. However, the bees at MCIW are thriving. It is anticipated that MCIW will harvest honey to be used in Dietary for inmates and staff
- MCIW introduced a Master Gardening program this past year and is in its second phase of classroom instruction. A greenhouse will be installed this year to allow students the opportunity to work with seedlings and plants throughout the year. Certification is available through passing an examination with the University of Maryland Extension Service
- MCIW hosted tours this year from correctional departments in China and Mexico
- MCIW is developing partnerships within the community to introduce a hospice care program
- An art club has been added to the programming within the facility. The art club painted murals in the visiting room and is working on additional projects throughout the facility

Dorsey Run Correctional Facility

Jessup, Maryland

Security Level : Minimum
Positions: 264
Average Population: 925
Operating Cost: \$32,899,076

Dorsey Run Correctional Facility in Jessup opened in 2013. The minimum security level, male populated site includes state-of-the-art camera, intercom and control systems to meet modern day correctional standards.

Inmates at the facility are preparing for release and many are assigned to outside work crews and have other job assignments to aid in their transition. The facility also provides employment readiness training in areas such as interviewing and resume writing skills. The institution provides high school equivalency diplomas for reading, writing, and math.

The facility was built out of a partnership with the federal government. The state agreed to provide security for the U.S. Marshals Service in Baltimore in return for \$20 million to help build the new institution. The facility received inmates from the former Jessup Pre-Release Unit, which is now closed.

Among the innovative programs at the facility is Knitting Behind Bars, which teaches offenders relaxation techniques. The site also hosts a Toastmasters group to teach offenders how to tell their story, and prevent others from incarceration.

- Provided Employment Readiness Workshop
- Provided Parenting/ Effective Communication Program

Patuxent Institution

Jessup, Maryland

Security Level : Maximum
 Positions: 457
 Average Population: 940
 Operating Cost: \$54,890,004

Patuxent Institution is a treatment-oriented maximum-security correctional facility that is located in Jessup, Maryland. It has a maximum static capacity of 1113 beds and offers diverse services to the most varied male and female offender population in the state.

The institution offers programs to a wide array of offenders. Programming undergoes continuous refinement and development in order to ensure that it is delivered in accordance with

best practices. At the same time, a very high priority is placed on the provision of services that make the most efficient use of Departmental resources. We remain proud of our statutory Patuxent Youth and Eligible Person Programs, as well as the clinical services that we provide to offenders with serious mental illnesses, those with substance abuse diagnoses, and parole violators.

In the past year, Patuxent additionally began to house the Department's technical parole violators.

These inmates are held at the Patuxent Institution until a revocation hearing has been scheduled by the Maryland Parole Commission. Patuxent Institution is also the designated institution for juvenile inmates under the age of 18.

Budget

Maryland Correctional Training Center Hagerstown, Maryland

Security Level : Medium through Pre-Release
Positions: 595
Average Population: 2,550
Operating Cost: \$76,479,304

The Maryland Correctional Training Center in Hagerstown opened in 1966 and houses male offenders.

The facility is home to a Maryland Correctional Enterprises operation where inmates produce utility brushes and corrugated cartons along with partitions for state office work stations.

The institution offers academic programs ranging from basic adult education to high school equivalency diplomas and special education. Offenders can take part in occupation training programs in plumbing, residential electrical wiring, carpentry,

masonry, small engine repair, auto body repair, auto mechanics, and introduction to office technology.

The facility provides job readiness training ranging from interviewing to resume writing skills while also offering the intensive Therapeutic Communities substance abuse recovery treatment and aftercare program that assists about 200 offenders a year.

The institution recently added the America's VetDogs program.

2017 Highlights

- Staff worked collaboratively to safely reduce our segregation population as a result of the Restrictive Housing Initiative.
- Social work department facilitated five specialized group treatment programs using evidence-based practices, cognitive behavioral and psychoeducational models providing over 300 hours of group services. Groups included: Inside/Out Dads (Parenting); Thinking, Deciding, Changing (TDC); Trauma Education and Support (TESS); Segregation Substance Abuse Reduction Program (SSARP), and the Segregation Aggression Reduction Initiative Group (SARI).

Western Correctional Institution Cumberland, Maryland

Security Level : Maximum
Positions: 462
Average Population: 1610
Operating Cost: \$59,574,570

The Western Correctional Institution (WCI) in Cumberland offers inmates training in horticulture, welding, cabinet and mill-work, facility maintenance, and printing with graphic arts.

The facility houses a grant-funded greenhouse which supplies other facilities, local governments and charitable groups with plants.

WCI offers a range of academic programs including adult literacy high school equivalency diplomas, and training for employment that includes interviewing and resume-writing skills. A six-month substance abuse recovery program with aftercare is also offered.

The institution employs offenders in a Maryland Correctional Enterprises (MCE) unit which constructs various wooden furniture items.

Offenders at the facility, including incarcerated veterans, train service dogs for America's VetDogs program, the first maximum security institution in the country to do so.

Total	\$59,574,570
Operating Capacity	1,610
Average Daily Population	1,610
Annual Cost Per Capita	\$37,003
Ratio of Population to Positions	3.49:1
Ratio to Custodial Positions	4.60:1

2017 Highlights

- Share information between the Correctional Institutions by use of a central database
- Continue the development of the Case Management Staff in the Commitment to Change, Anger Management, Victim Awareness Programs and OCMS(Offender Case Management System)
- Monitor patient waiting time closely to stay within community standards.
- Improve overall safety in the work environment
- Complete and submit all financial reports as required on a timely basis
- Continue research and procurement of additional equipment to improve production in the MCE Department
- Continue to monitor the mental health stability of inmates diagnosed with serious mental illness

North Branch Correctional Institution Cumberland, Maryland

Security Level : Maximum
Positions: 572
Average Population: 1310
Operating Cost:
\$62,404,180

The North Branch Correctional Institution (NBC-I) in Cumberland is Maryland's most secure, and has been featured internationally in documentaries about the world's most technologically advanced correctional centers.

The facility opened in 2003 and houses male offenders. North Branch and Western Correctional Institution next door are among the largest employers in Western Maryland.

The facility offers adult basic education classes as well as high school equivalency diplomas to offenders.

Budget	
Administration	\$2,380,532
Custodial Care	\$38,994,044
Dietary Services	\$4,378,063
Plant Operation/Maintenance	\$3,805,431
Clinical/Hospital Services	\$10,251,256
Classification/Recreation/Religious	\$2,594,854
Substance Abuse	—

The totals for the inmate characteristics contained in this report represent the OCMS system data available for the respective categories on the date of the report. Differences between category totals are due to missing data on the information system. Information for inmates housed in local jails, pre-trial and P&P home detention is not available.

Notes: Average sentence length is calculated based on total sentence length and does not include life sentences. Average length of stay reflects the average length of time served in the D.O.C. as of the date of the report. This figure is not based on releases and may include time served at more than one institution.
