Dear Governor O'Malley, President Miller and Speaker Busch:

In accordance with Section 15-111(a) of the State Finance and Procurement Article, and COMAR 21.13.01.02, I am attaching the Annual Report of Service Contracts awarded by the Department of Information Technology reflecting procurement activity during FY 2013. The report provides information for each procurement contract that was exempt from the notice requirements of § 13-103(c) of the State Finance and Procurement Article because it was expected that the contract would be performed entirely outside of this State or District of Columbia, cost more than \$100,000, or was awarded as a sole source procurement, an emergency procurement or an expedited procurement.

If you have any questions about the attached report, please do not hesitate to contact me at [isabel.fitzgerald@maryland.gov](mailto:isabel.fitzgerald@maryland.gov).

Respectfully,

Isabel FitzGerald
