December 20, 2014

The Honorable Martin O'Malley
Governor of Maryland
State House
Annapolis, Maryland 21401

Dear Governor O'Malley:

On behalf of the Governor's Office of Crime Control & Prevention (GOCCP) and the Maryland State Board of Victim Services (State Board), in accordance with Criminal Procedure article Section 11-914, we are pleased to submit this comprehensive report covering fiscal year 2014. This report is submitted, as mandated, to you, the Attorney General and the Secretary of the Department of Public Safety and Correctional Services.

The Annual Report contains an outline of the State Board's accomplishments in FY14, along with recommendations that ensure continued comprehensive, compassionate, statewide services, support and compliance to every crime victim as allowed by law.

Much of the State Board's work and accomplishments are the same as in previous years, e.g., oversight of Victim Information and Notification Everyday (VINE); funding critical services and support through the Maryland Victim of Crime grants (MVOC); and a continued commitment to Maryland's Child Advocacy Centers. Additional work this fiscal year includes the State's Victim Rights Compliance Coordinator working closely with the Administrative Office of Courts Maryland Electronic Courts (MDEC) to ensure that transitioning to a single judiciary-wide integrated case management electronic system will not violate any victim's rights and that it is as seamless a transition as possible for all involved.

During FY14, the State Board has continued its work to identify the needs of Maryland's homicide survivors and to determine if these much needed services exist statewide so that no matter where surviving family members live, they too will have access to specialized programs and services specific to homicide. Victim service professionals statewide were surveyed to identify what they know to be homicide survivors' most critical needs and if services exist in their jurisdictions. In addition, the State Board undertook new initiatives to meet the needs of underserved crime victim populations. Specifically, the State Board convened a working group to begin to identify the support and service needs of homicide survivors and to identify if those services currently exist state-wide to create a true service map for homicide victims. This research will continue in FY14 and the findings will be presented in an Executive Summary once all research is complete to offer recommendations for ensuring a continuity of services no matter where a homicide survivor(s) live within the State. The State Board also collaborated with members of the Maryland State's Attorney's Association in reviewing and modifying the current Victim Witness Protection and Relocation Fund Guidelines resulting in increased financial assistance to families of homicide and other violent crime categories with trial attendance-related costs.

We are very proud of the dedicated work the State Board, the State Victim Services Coordinator and the staff of the Governor's Office of Crime Control & Prevention. We are honored to support you in our shared goals, and to see these efforts benefiting the needs of crime victims in our State. While we are all justly proud of the strides made on behalf of crime victims, we know that the needs of crime victims are ever changing and the State Board looks forward to working collaboratively with criminal justice, non-profits and other organizations around the State in FY14 to continue to bring dignity, respect, and sensitivity to all crime victims that addresses changing needs.

Sincerely,

A handwritten signature in blue ink that reads "Tammy M. Brown".

MARYLAND STATE BOARD OF VICTIM SERVICES

To ensure that all crime victims in the State of Maryland receive justice and are treated with dignity and compassion through comprehensive victim services.

Annual Report FY 2014

I. OVERVIEW

The Maryland State Board of Victim Services (Board) and the Governor's Office of Crime Control & Prevention (GOCCP) are pleased to present this report for Fiscal Year 2014. The annual report highlights the important work carried out by the State Board, State Victim Services Coordinator (State Coordinator) and GOCCP staff, who work in partnership with crime victim service providers, local communities, Executive, Legislative and Judicial branches of State government, and the Federal government to better serve Maryland crime victims. This report encompasses the Board's activities for the period of July 1, 2013 through June 30, 2014. The Board continues its efforts to improve the treatment of crime victims through legislative action, working collectively with criminal justice agencies and private non-profit organizations, creating and expanding innovative initiatives, while welcoming feedback and suggestions from individuals and communities across the state.

II. STATE BOARD OF VICTIM SERVICES

Recognizing the unique and distinctive needs of crime victims, the Maryland General Assembly created the State Board of Victim Services and the position of the State Coordinator in 1988. This was done for the purpose of monitoring, assessing, coordinating and making recommendations concerning state and local efforts to assist victims of crime. The Board's mission is to ensure that all crime victims in Maryland are treated with dignity, respect and compassion during all phases of the criminal justice process. In 1991, under the authority of GOCCP, the Maryland General Assembly created the Maryland Victims of Crime (MVOC) Fund to provide funding support for victim services. MVOC money is generated by the collection of court costs imposed on convicted defendants, which is subsequently used to award grant projects that provide direct services to help crime victims. The State Board and GOCCP administer and manage the MVOC and Legal Service for Crime Victims (LSCV) grant projects.

From a national perspective, the State Board is a unique entity; Maryland is a leader in this respect. The GOCCP continues to support State Board activities at local, state and national levels.

III. ACCOMPLISHMENTS

Listening to State and local criminal justice agencies and service providers in the field, the State Board took action, which resulted in the following accomplishments:

1. Survivors of Homicide: The highest and most pressing issue for the State Board over the last few years is meeting the needs of survivors/families of homicide victims. In order to accomplish this task, the State Board is assessing existing services, researching models and reviewing best practices from other states and nationally to best provide recommendations for services in Maryland. On October 1, 2014, these findings in addition to a survey were included in *Needs Assessment: Survivors of Homicide Report/Phase I. Phase II* of this report, a comprehensive finding and comparison of service provider and survivor surveys, will be completed and submitted to the Governor by December 31, 2014.
2. The State Board awarded thirty-nine (39) grants totaling \$1,326,039 in FY14 from the Maryland Victims of Crime (MVOC) Fund for direct services to crime victims;

3. The State Board awarded one (1) grant totaling \$75,000 in FY14 from the Legal Services for Crime Victims fund for legal counsel to crime victims in the criminal court system. Due to a revision of policy and procedures for the collection and distribution of unclaimed restitution from the Department of Public Safety and Correctional Services, the grant award was funded by the FY14 MVOC Fund;
4. Supporting Child Advocacy Centers (CACs) is a priority for the State Board. In 2011, the General Assembly found there was an increase in the number of sexual assault victims in the State. To address this concern, GOCCP was charged with establishing and sustaining child advocacy centers in Maryland. Furthermore, money for child advocacy centers would now receive funding from the State Budget to supplement, but not supplant, money that programs received from other sources. (Md. CRIMINAL PROCEDURE Code Ann. § 11-923 (2011)). Simultaneously in support of this legislation, the Maryland Victims of Crime (MVOC) Fund law was amended to include supporting child advocacy centers. (Md. CRIMINAL PROCEDURE Code Ann. § 11-916 (2011)).
5. Victim Information and Notification Everyday (VINE) continues to provide information and notification for proceedings, trials and hearings in District and Circuit courts; custody status of inmates in twenty four (24) detention centers and at the Division of Corrections for offenders on parole and probation; as well as status changes for offenders in the Sex Offender Registry. Since 2000, the State Board promotes VINE usage, coordinates trainings; and provides daily maintenance including troubleshooting statewide for crime victims, governmental users and citizens who are involved in the criminal justice system.
6. Chapter 205 (2014): the State Board is tasked with developing crime victim related protocols for the new Maryland Electronic Court (MDEC) system through the integration of the *Crime Victim Notification and Demand for Rights Form* and VINE. The State Board, in consultation with the Administrative Office of the Courts, is providing recommendations and guidance. Crime victims' rights, recognized in current court processing systems, need to remain an essential component of the planning and successful implementation of MDEC.
7. The State Board conducted two (2) meetings *on-the-road* this fiscal year. The purpose was to educate Board members on the practices and needs of communities while providing service providers, local governments and non-profits a platform to voice their opinions before a panel of State and local government representatives.
8. The Roper Victim Assistance Academy (RVAAM) provided basic and advanced training to one hundred and twenty seven (127) students in 2014. RVAAM is modeled on the national Victim Assistance Academy, a 40-hour, academically-based education and training program that covers a broad array of topics in victims' rights, victim advocacy and victim and witness services in the criminal adult and juvenile justice system. A victim service provider certification program was implemented in 2012; to date, thirty-two (32) students have received professional certification.
9. Criminal Injuries Compensation (CICB) funds: The State Board works closely with CICB, as the payer of last resort, to ensure that crime victims are properly compensated for funeral expenses, lost wages, medical expenses and other costs eligible under this mandated fund. (MD. CODE, CRIMINAL PROCEDURE, §11-915 (b) (2))

IV. RECOMMENDATIONS TO THE GOVERNOR

Building upon these accomplishments, the State Board of Victim Services has articulated specific recommendations for future initiatives. As required by Md. Code, Criminal Procedure §11-914, the State Board is submitting the recommendations to the Governor for the improvement of the treatment and services available to Maryland's victims of crime, as follows:

- Recommendation #1 Provisions should be made to accommodate the individual statewide needs of survivors/families of homicide victims. The loss of a loved one is devastating, and the added hardships of funeral, medical expenses and lost wages are just a few of the costs that an already economically struggling family can incur as a result of a homicide.
- Recommendation #2 Provisions should be made to increase costs imposed on convicted defendants in District and Circuit courts that are distributed into the Maryland Victims of Crime (MVOC). Increased MVOC revenue would address the mounting need that is necessary to continue supporting crime victims through services, statewide trainings, federal and State policies, technology and public awareness and community outreach.
- Recommendation #3 Child Advocacy Centers (CAC) should remain a priority for the Governor through state supported funding, collaborative regional trainings and the promotion of public safety linkages and partnerships among federal, state and local agencies.
- Recommendation #4 Roper Victim Assistance Academy (RVAAM) should remain in the State Budget supporting basic and advanced training for crime victim service providers and first responders. The certification program for service providers who work at the local and state level provides the necessary skill set to best serve crime victims as they move through the criminal justice system and on with their lives.
- Recommendation #4 Maryland should be a leader in the effort to assist the underserved population of crime victims with disabilities through outreach, training and the encouragement of state and local agency collaboration.
- Recommendation #5 Maryland should continue to support Victim Information and Notification Everyday (VINE) courts, custody, parole, probation, sex offender alert line services as a line item in the State budget.
- Recommendation #6 The State Board should continue to be an active participant with the Maryland Judiciary and Maryland Electronic Courts (MDEC), a new court case management system with integration of crime victims' rights court forms and information.

Appriss Contract (November 1, 2010 to October 31, 2015)

- The Appriss, Inc. contract and a state related technical portion of the services are managed by the Maryland Department of Public Safety and Correctional Services, Information Technology & Communications Division;
- The State Coordinator works closely with the Appriss Account Manager to monitor usage, troubleshoot, and prepare statewide training events;
- VINE account and program are managed daily by the State Coordinator;
- The contract includes information and notification services for District court, Circuit court, detention centers, Division of Corrections, parole, probation, sex offender and Protective Orders;
- A professional Appriss, Inc. trainer provides seven (7) statewide VINE trainings per year;
- Materials are included in the contract and are distributed by the State Coordinator;
- VINE materials printed and distributed in FY14:
 - 53,000 English and Spanish pamphlets
 - 300 Posters
 - 9,300 Tear-pads
- Public outreach is a portion of the agreement; and
- A two (2) year contract extension was signed to start on November 1, 2013 and end on October 31, 2015.

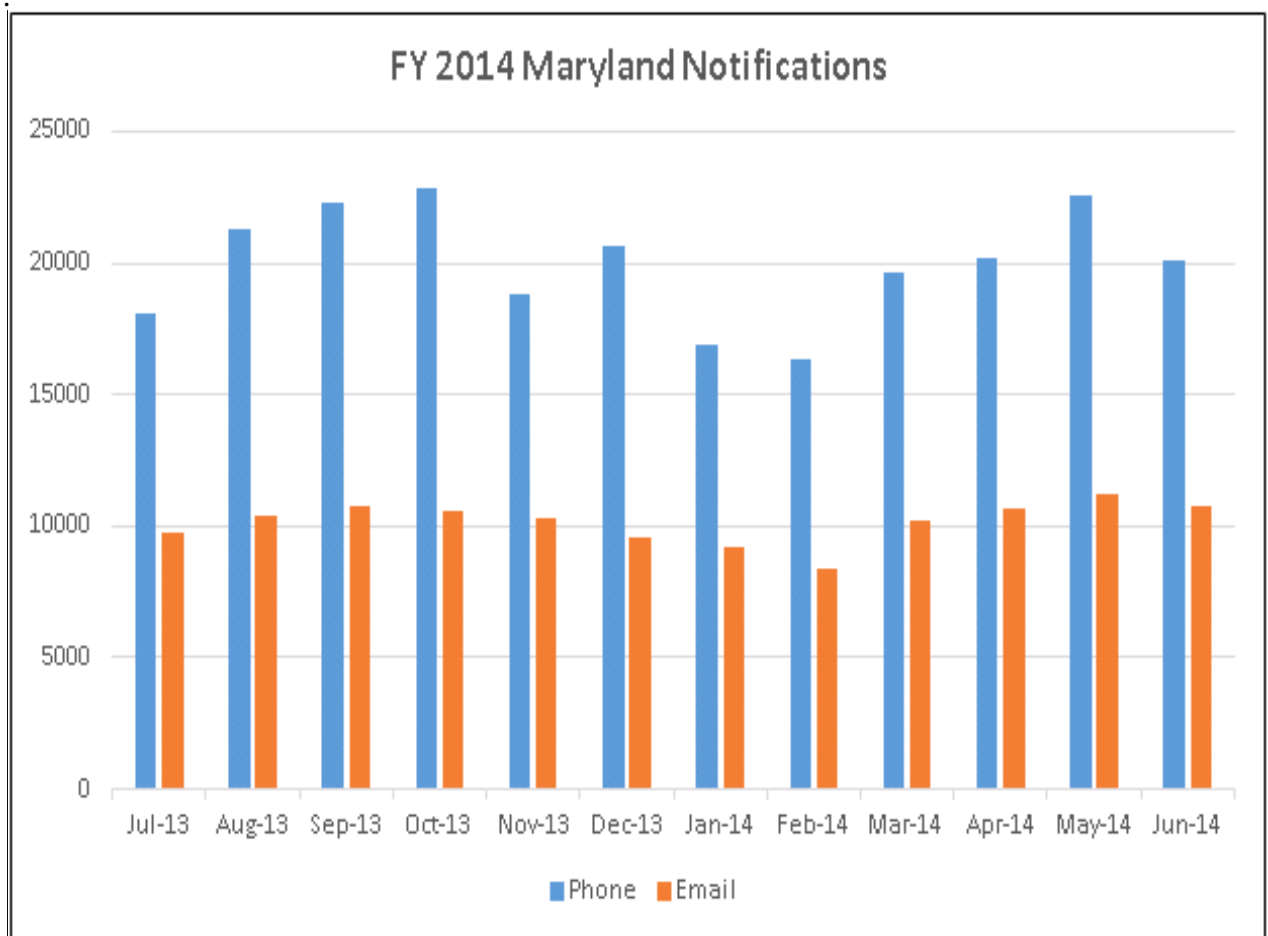

VINE Enhancements

- In 2014, Appriss continued to promote and encourage the 2013 released of VINEMobile smart phone app that allows victims of crime to easily access information on offenders 24/7/365 from their smart phone.
- VINEWatch users have the ability to update notification methods (phone number, TTY, email address) and apply this update to all offenders that a victim is registered against.
- A Phone Number Extension field allows up to six digits for phone notification registrations.
- When registering on VINELink or VINEWatch users are required to enter their phone number twice to assure accuracy and validity.
- Vinelink.com users have the option to check a box and view Agency Description and Contact Information Fields.

Statistics

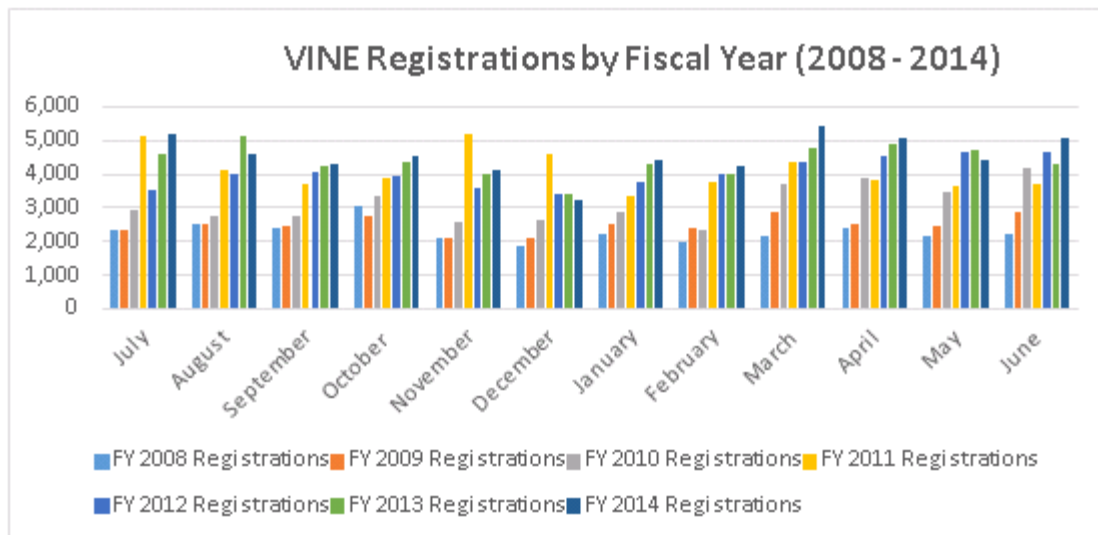

FY14 Maryland VINE Statistics (July 1, 2013 – June 30, 2014)

- 239,798 outgoing phone call notifications made on behalf of Maryland to crime victims and the community
- 121,791 email notifications sent
- 30,230 incoming calls to MD VINE toll free number
- 54,627 new registrations for the year
- 1,231,326 total Site Searches (includes VINELink, VINEWatch, phone and VINEMobile)

VINE Services

High-level

- Ongoing service operation, including live operator support 24/7/365;
- Support of interface hardware and proprietary software used to power VINE;
 - Hardware support may include providing agency a DSL line when needed or sending out a field tech to repair and/or replace hardware;
- Monitoring of all system hardware and software;
- 24 hour troubleshooting support for system alarms helping to minimize potential interruptions in service;
- All incoming and outgoing communications in both English and Spanish;
- Communications costs for transferring data;
- Ongoing support of system script and normal programming changes;
- Public relations support for generating ongoing media updates; and
- Supplies and materials to raise program awareness.

Training

- VINEWatch menu for accessing *Appriss University* online training for VINE and VINEWatch;
- VINE training for parole and probation agents with DPSCS Community Supervision to better assist with offender monitoring; and
- Regional statewide trainings are conducted for service providers, law enforcement, detention centers and anyone who works with crime victims.

In conclusion, in order to operate efficiently the VINE system relies heavily on the daily flow of data from the Office of the Administration of the Courts, twenty-four (24) individual detention centers and the Department of Public Safety and Correctional Services. This requires full time supervision and attention from the State Coordinator and the Appriss Account Manager. The VINE system strives to improve each

year, providing a reliable service for Maryland citizens with accessible information and advanced notification for upcoming court hearings and changes in status for offenders in custody and on parole or probation.

VICTIMS' RIGHTS COMPLIANCE INITIATIVE

The MSBVS and the GOCCP established the Victims' Rights Compliance Initiative in April 1999 in an effort to remedy crime victims' rights violations. The goal of the Initiative is to improve the criminal justice system's response to victims of crime by allowing them the option to voice their concerns and exercise their statutory right to participate in the process. This is most evident when they feel their statutory rights have been violated at any point in the criminal justice system.

Initiative Objectives are as follows:

1. to improve the criminal justice system's response to victims of crime through systematic improvements of services provided to victims, and
2. to give victims an option to voice their concerns and seek system response when they feel that their statutory rights have been violated at any point in the criminal justice system.

Compliance Updates

- During FY14, the Victims' Rights Compliance Coordinator (Coordinator) was on the staff of the Maryland Crime Victims' Resource Center working in collaboration with the State Board. As of July 1, 2014, this position and function returned to the GOCCP.
- In an effort to integrate crime victim access, mandated forms, and information in the developing Maryland Electronic Courts (MDEC) case management system, the MSBVS, in consultation with the Administrative Office of the Courts, and subject to the authority of the Executive Director of the GOCCP, has proceeded to draft protocols for electronic registration for victim notification in accordance with Chapter 205 of the Laws of 2014.
- The MSBVS has also collaborated with the Maryland Judiciary by providing documentation, recommendations and guidance for the inclusion of VINE and the CVNF in the MDEC system. Crime victims' rights, recognized in current court processing systems, remain an essential component of the planning and successful implementation of the new integrated electronic court system.

Crime Victim Rights Issues

The Coordinator responded to calls, letters and emails from crime victims alleging violations of various crime victims' rights, seeking referrals for direct services and looking for information and explanations about the criminal justice process.

Issues the Coordinator responded to:

- Frustration with lack of, or limited criminal justice agency responses to the crime, including the filing of *nolle prosequi* by prosecutors;
- Misunderstanding of civil versus criminal justice system;
- Lack of information regarding case status;
- Delay in processing and/or denial of claims by the Criminal Injuries Compensation Board;
- Nonpayment of restitution by offenders granted probationary sentences or parole; and
- Lack of notification of offender's parole, violation of probation, and release from incarceration.

Justice Systemic Initiatives

- The Maryland State Commission on Criminal Sentencing Policy (MSCCSP) has collected data relating to imposition of court costs which are a source of funding for victims' rights initiatives. Data analysis was provided by the MSCCSP showing how often court costs were imposed and collected in conjunction with the frequency of victims filing a *CVNF*.
- The Coordinator conducted meetings to learn how victim notification and restitution information is collected and transmitted within and between automated systems in each of the criminal justice agencies. Meetings were held with the State Court Administrator, State's Attorneys' Offices; Department of Public Safety and Correctional Services; the Parole Commission, the Division of Probation and Parole, Clerks of the Circuit and District Courts, Criminal Justice Coordinating Councils; and the Maryland Police and Correctional Training Commission.

Training and Technical Assistance

The Coordinator provided direct support to numerous criminal and juvenile justice agencies enhancing their ability to comply with specific statutory mandates for crime victims.

- Emphasis has also been placed on ensuring that both manual and paper-form processes as well as existing and planned automated systems include necessary elements and fields to provide notice to victims and make sure that institutions are aware of outstanding restitution orders.
- Further steps resulting from meetings with criminal justice agencies, in which compliance issues were explored, such as the need of court clerks' offices to transmit restitution orders to detention centers and correctional institutions, have led, for example, to now-scheduled discussions with state District Court officials to determine the most effective means of achieving statewide compliance.
- Similarly, discussions with a group of officials in the Department of Public Safety and Correctional Services are proceeding to resolve the ongoing problem of victim notification requests not reaching later-stage institutions in the justice process, such as the Parole Commission, in a timely manner or at all.
- A program on Compliance with Victims' Rights Legislation was conducted at a meeting of the Maryland Association of Victim Service Providers. Compliance was discussed as part of a program on victims' rights law presented to the Howard County State's Attorney's Office, which will also be provided to other justice system agencies and offices. It is expected that presentations will be made to private non-profit organizations, as well as a similar presentation proposal will be submitted to the Judicial Institute of Maryland
- A Notification Working Group was formed to gather information on implementing effective victim notification from all components of the criminal justice system, and specifically to support the MSBVS's statutory obligation to develop protocols for electronic registration of victim notification requests.

X. MARYLAND VICTIMS OF CRIME (MVOC) AND LEGAL SERVICES FOR CRIME VICTIMS (LSCV) FUNDS

The MVOC Fund was created by the Maryland General Assembly during the 1991 Legislative Session as a source of revenue for programs across the state, dedicated to serving victims of crime. The primary purpose of the MVOC Fund is to ensure implementation of the Declaration of Crime Victims' Rights

Amendment to the Maryland Constitution and the Guidelines for Treatment of and Assistance to Crime Victims and Witnesses and other laws adopted to benefit victims and witnesses of crime (MD Ann. Code, Criminal Procedure Article §11-916).

The LSCV Fund was created to ensure that money obtained from unclaimed restitution under this title is used to provide legal counsel for victims of crime in the criminal court justice system (Md. Code Annotated, Criminal Procedure Article §11-919).

The Notice of Funding Availability (NOFA) for MVOC and LSCV funds are posted annually on the GOCCP Website. The State Coordinator will periodically conduct a technical assistance workshop for potential applicants. The second and third year MVOC continuation grant applications are submitted to GOCCP and reviewed in the spring each year.

A Synopsis of the State Board's *Grant Policy and Procedure*:

1. Review teams consisting of two independent reviewers together with one State Board Grant committee member review MVOC and LSCV applications utilizing the State Board approved *Score Sheet*. Once all grant reviewers have completed the review and scoring, each review team consisting of three individuals meet (via teleconference or in person) and discuss their common applications. Each review team will come to a consensus on one final score sheet for each application.
2. The final score sheets are processed to the Grant committee members who review the scores, discuss and recommend awards and denials for the GOCCP Executive Director. The Committee ensures that State Board and GOCCP priorities and requirements are upheld in each recommendation to GOCCP. The top scoring applications are selected for awards by the committee members and forwarded to GOCCP Executive Director or Deputy Director for approval. A few select applications may be brought and shared with committee members at a State Board meeting.
3. Last, the State Board will render a majority vote and final approval of the recommended grant awards to the GOCCP Executive Director for a final approval, prior to letters of intent and denial being mailed to the applicants.

FY14 MVOC

Court Collected Costs

- The MVOC Fund receives money from court costs collected in criminal cases pursuant to §7-409 of the Courts and Judicial Proceedings Article as established under MD Ann. Code, Criminal Procedure Article, §11-916.
- The District Court and Circuit Courts have authority to impose fines on convicted offenders. In 1995 a bill was enacted increasing the fine courts could impose from \$20 to \$30 in Circuit Court and from \$10 to \$20 in District Court.
- In 1997, the court costs were increased again and codified whereby the Circuit Court fine is now \$45 and the District Court fine is \$35.
- For Traffic Court, in addition to any other costs required by law, a court shall impose on a defendant convicted of an offense an additional cost of \$3 in the case, including cases in which the defendant elects to waive the right to trial and pay the fine or penalty deposit established by the Chief Judge of the District Court by administrative regulation.
- It is the intention of the State Board to propose another increase within the next few years. State and local criminal justice agencies and non-profits are struggling more and more each year to maintain existing crime victim services.

Court costs collections are distributed by the State Comptroller among three victims' funds under Courts and Judicial Proceedings Article Sec., 7-409:

District and Circuit Court

- MVOC (\$22.50 from each fee collected by circuit court, \$12.50 from each fee collected by District Court);
- Victim Witness Protection and Relocation Fund (\$2.50) from circuit court and District Court fees); and
- Maryland Criminal Injuries Compensation Fund (MCICB).

Traffic Court

- From the first \$500,000 in fees collected in Traffic Court in the above referenced subsection, in each fiscal year, the Comptroller shall deposit one-half of each fee (\$250,000) into the State Victims of Crime Fund and one-half of each fee into the Criminal Injuries Compensation Fund; and
- For fees collected over and above the referenced \$500,000 in each fiscal year, the Comptroller shall deposit the entire fee into the Criminal Injuries Compensation Fund.

Circuit Court Collections by Jurisdiction Chart FY 2008 through FY 2014
(Appendix D)

MVOC Priorities

- Direct Services for Victims of Crime;
- Victim Advocates in Law Enforcement;
- Victim Advocates in State's Attorneys' Offices;
- Enhanced services and support for Child Advocacy Centers
(Md. CRIMINAL PROCEDURE Code Ann. § 11-916 (2011)); and
- Enhanced services to crime victims that aid and promote the distribution of mandated pamphlets and educate them on their rights according to Maryland law.

MVOC Program Purpose Areas

- It is highly recommended that MVOC awards support coordinating services for crime victims from first responders through the criminal justice system and beyond, including services provided by law enforcement, prosecutors' offices, courts, victim service agencies, state agencies, and non-governmental organizations serving crime victims;
- Developing, enlarging, or strengthening all victim service programs including private non-profit organizations, police victim/witness sections, and District/Circuit Court victim/witness units;
- Developing or improving the delivery of crime victim services to underserved populations;
- Providing support to specialized domestic violence advocates in courts where a significant number of protective orders are granted;
- Developing, expanding, or strengthening crime victim programs addressing non-English speaking citizens;
- Providing state, regional, federal, and national training for crime victim service providers is encouraged as a sole project for an application or as an addition to a project. Topics may include, but are not limited to: communicating and networking with victim/witness service providers, cross training, interaction/communication with crime victims (i.e., first response, status of case,

progress of case), judicial accountability, diversity/language barriers, understanding sexual violence, the dynamics of domestic violence, referring victims for follow-up services, promotion of Jane Doe reporting, and cultural sensitivity;

- Training of sexual assault forensic medical personnel examiners in the collection and preservation of evidence, analysis, prevention and providing expert testimony and treatment of trauma related to sexual assault; and
- Implementing community-driven initiatives to address the needs of crime victims who are included in the underserved populations: people with disabilities, elder victims of crime, and children of physical and sexual abuse.

FY14 MVOC Grant Awards and Applications (July 1, 2013 through June 30, 2014)

- First year MVOC applications (32): \$1,288,726
- First year MVOC awards (17): \$653,290
- Second year MVOC awards (12): \$377,710
- Third year MVOC awards (10): \$295,039
- Total FY14 MVOC awards: \$1,326,039

IX. OTHER ACTIVITIES OF THE STATE BOARD OF VICTIM SERVICES

CRIME VICTIM MANDATED PAMPHLETS AND FORMS

Pursuant to duties of the State Board and the mandates of the Constitutional Amendment, Declaration of Rights - Article 47 stating that "a victim of crime shall be treated with dignity, respect and sensitivity during all phases of the criminal justice process," the State Board developed two pamphlets to ensure that a victim's right to be informed are upheld by law enforcement personnel, commissioners or juvenile justice intake workers and State's Attorneys. Statutes, entitled Victims and Witnesses, are detailed in Maryland Ann. Code, Criminal Procedure Article, Title 11.

The mandated materials are tracked in a Brochure Database system for the purpose of accountability and cost effectiveness.

Mandated Materials

CRIME VICTIMS AND WITNESSES: Your Rights and Services pamphlet

- Upon first contact with a crime victim or a crime victim's representative, a law enforcement officer, District Court commissioner or juvenile intake officer shall give the victim or the victim's representative the "*CRIME VICTIMS AND WITNESSES: Your Rights and Services*" pamphlet.
- This pamphlet is designed to inform the recipient of their rights and services, while outlining the steps a case may go through in the criminal justice process and explaining the criminal justice system's responsibilities to crime victims and witnesses.

- In addition to law enforcement officers, District Court commissioners and juvenile intake officers shall also give the victim or the victim’s representative the mandated pamphlet (MD. CODE, CRIMINAL PROCEDURE, §11-914(9)(i)).

The *Crime Victim Notification and Demand for Rights Form (CVNF)*

- The prosecuting attorney is mandated to deliver the *CVNF* form, together with the *Your Rights as a Victim in the Criminal and Juvenile Justice Process* brochure (below) to a crime victim within 10 days of an indictment or information filed in Circuit court.
- The *CVNF* provides a formal procedural request for a victim or victim’s representative to be notified of all related court hearings and offender status changes in the criminal court system.
- The *CVNF* follows the offender through the criminal court system, the multi-layer form provides a copy for each agency: Clerk of the Court, State’s Attorney, Detention/Division of Correction/Department of Mental Hygiene, Parole and Probation, Attorney General’s Office and the victim/victim’s representative.

Your Rights as a Victim in the Criminal and Juvenile Justice Process pamphlet

- The pamphlet provides a crime victim or a crime victim representative in Circuit Court with information about their rights and referrals for services in the state.
- The prosecuting attorney is mandated to deliver this pamphlet, together with the *CVNF* (above) to a crime victim within 10 days of an indictment or information filed in Circuit court.

ANNUAL STATEWIDE MEMORIAL SERVICES

Sunday, April 6, 2014

The Victims of Crime Memorial Service is one of two annual events sponsored by the Maryland State Board of Victim Services. The annual services are held to honor those who lost their lives to violent

crime in the State of Maryland. The event commences with National Crime Victims Rights Week, which traditionally begins each year in April.

Since 2002, four regional memorial services are held simultaneously statewide. The regional locations address the growing number of participants and provide accessible locations for surviving family members. All four services maintain uniformity with opening ceremonies led by a color guard, musical selections and the symbolic raising of the banner arranged with doves or stars representing those remembered. Two Governor’s proclamations are presented: one to the hosting State’s Attorney, and the other to an attending State Board member. The most important and compelling part of the Memorial Service is the “Reading of the Names”. Names of crime victims are written, read aloud and/or displayed as remembrance for family, friends and community members.

The regions are geographically divided as follows:

<u>Eastern Region</u>	<u>Western Region</u>	<u>Southern Region</u>	<u>Northern Region</u>
Caroline	Allegany	Calvert	Anne Arundel
Dorchester	Carroll	Charles	Baltimore City
Kent	Frederick	Prince George’s	Baltimore
Queen Anne’s	Garrett	St. Mary’s	Cecil
Somerset	Montgomery		Harford
Talbot	Washington		Howard
Wicomico			
Worcester			

The State Board provides an annual allocation of \$1,000 to the Eastern and Western regional hosts and \$1,500 to the Northern and Southern regional hosts. This affords the hosting agency the opportunity to plan programs without added concerns of raising money to finance events, and eliminate ensuing ethical concerns of elected officials regarding fund raising. The State Board supports the continuation of annual funds for each of the regional hosts.

2014 Maryland Statewide Memorial Services for Crime Victims and Their Families

The State Board Memorial Service Committee members and hosting State’s Attorneys’ office service providers coordinated this year’s memorial services.

The Twenty-Fifth Annual Victims of Crime Memorial Service was held on Sunday, April 6, 2014.

- The Eastern Regional service was hosted by The Honorable Beau Oglesby, State’s Attorney’s Office of Worcester County, located at Ocean City Marlin Club, Ocean City, MD
- The Western Regional was hosted by The Honorable John McCarthy, State’s Attorney’s Office of Montgomery County, located at Hilton Hotel Rockville, Rockville, MD
- The Northern Regional service was hosted by The Honorable Gregg Bernstein, State’s Attorney for Baltimore City, located at Digital Harbor High School in Baltimore, MD
- The Southern Regional service was hosted by The Honorable Laura Martin, Calvert County State’s Attorney’s Office, located at the Governor’s Hall at North Beach Volunteer Fire Department in Chesapeake Beach, MD

GOVERNOR’S VICTIM ASSISTANCE AWARDS LUNCHEON

Thursday, April 3, 2014

The Governor’s Victim Assistance Awards Luncheon is held each year to show appreciation and recognition to an individual, agency, organization or group who does meritorious work on behalf of crime victims or in furtherance of the crime victims’ movement in Maryland. The award recognizes outstanding

work done in the area of victim advocacy and services that exceeds expected work responsibilities, and exemplifies a high level of commitment and dedication to the field of victims' rights and services and to the victims themselves. This year's awards reflect the period from January 1, 2013 to December 31, 2013.

In 2012, the Governor signed into law House Bill 766 (Chapter 678 of the Laws of Maryland 2012) which requires the Governor annually to proclaim April 3 as *Crime Victims and Advocates Commemorative Day* to give recognition to individuals in the State who have become crime victims and to honor the advocates who serve those victims. Additionally, the law requires the Governor to take appropriate steps to publicize Crime Victims and Advocates Commemorative Day. April 3 was chosen as the date for the commemorative day in memory of Stephanie Roper, who was murdered on that day in 1982 and whose family members established the Maryland Crime Victims' Resource Center, Inc.

Vincent Roper Memorial Award

As a tribute to the one year anniversary of Vincent Roper's passing on April 4, 2013, the Governor's Luncheon Committee chose to honor Vincent Roper's memory and life by dedicating an award in his name. The purpose of presenting an award in honor of Vincent Roper each year will serve as a remembrance to the outstanding individual that he was and will honor his legacy. Awards will be given posthumously. A nominee will be an individual who dedicated their life in a quiet, selfless manner, like Vincent Roper. Roberta Roper presented the first Vincent Roper Memorial Award to the family and loved ones of:

Award Recipient

Vera Price

Henry Gleim Memorial Award

In memory of Henry Gleim, an unsung hero who gave unselfishly, generously, courageously and with the compassion for those who walk in the path of victimization, this award recognizes outstanding services to crime victims and those who work to serve them.

Award Recipient

Robin Haskins

Virginia Mahoney Memorial Award

In honor of Virginia Mahoney, the State Board recognizes an outstanding leader who has set the standard for excellence and professionalism in the field of victim services. This award recognizes one prominent state leader or high-ranking official who has epitomized true leadership in support of victim rights.

Award Recipient

The Honorable Angela D. Alsobrooks

Governor's Victim Assistance Awards

The Governor's Victim Assistance Awards are presented to individuals and agencies located in both the public and private sectors and to those who have demonstrated outstanding performance in providing services and support to Maryland's victims of crime. A nominee must have made an outstanding contribution toward improving the status of, or delivering services to, crime victims and/or witnesses in Maryland. Award recipients are recognized for their exemplary work done in the area of victim advocacy that exceeds what is expected in one's routine job responsibilities. These contributions may involve exceptional efforts in a specific case, on a statewide event or issue, or any effort deemed worthy of recognition by the nominator.

The State Board awarded recipients under the following categories:

- Four (4) Outstanding Criminal Justice Professional
- Seventeen (17) Outstanding Victim Services Professional
- One (1) Outstanding Media or Communications Professional;
- Three (3) Outstanding Volunteer Contribution to Victim Services;
- Five (5) Outstanding Contribution to Victim Services; and
- Seven (7) Groups.

ROPER VICTIM ASSISTANCE ACADEMY OF MARYLAND

(<http://rvaam.org>)

The Roper Victim Assistance Academy (Academy) offers two levels of training to victim service professionals throughout Maryland, a basic 40-hour Academy designed for newer professionals, and advanced and more specialized training programs designed for more experienced professionals. The basic program is a 40-hour standardized multi-disciplinary academic curriculum program conducted as a one-week residential program. The 11th Academy was held June 2-6, 2014 with 35 professionals graduating from the program. In addition to the basic training Academy, the Academy also offered two advanced training sessions with 69 participants completing the training. All Academy training is nationally approved and certified for professional certification units and university credits. The Academy offers CEU's and university credits for both the Basic and Advanced training programs. Maryland is recognized as one of the nation's leaders in the movement to advance education and professionalism of the field of victim services. To date, in addition to the 415 graduates of the basic 40-hour training program (2004-2014), more than 1,674 have completed advanced training.

CERTIFICATION PROGRAM: The Academy's state level certification and professional standards program ties together with certificate programs and courses at UB. To date there are thirty-two certified advocates and another 15 in various stages of preparing for the examination. Certifications are held at three different levels, for each level there is a separate application and examination process.

TRAININGS

Total Participants (Jul 13-Jun 14): 92

A total of 2,080 participants have benefited from advanced trainings, conferences, workshops, and symposiums conducted through the Academy since 2004.

APPENDIX B

THE STATE BOARD OF VICTIM SERVICES STAFF

State Victim Services Coordinator

The Maryland General Assembly created the State Board of Victim Services and the position of State Coordinator in 1988. The State Coordinator is charged with the responsibility of compliance, monitoring, assessing, coordinating and making recommendations to the Governor concerning state and local efforts to assist victims of crime. The State Coordinator is located within the Governor's Office of Crime Control & Prevention, and serves under the authority of the Executive Director of the Governor's Office of Crime Control & Prevention. The State Coordinator has the overall responsibility for program development and program operations, as well as administering the provisions of the State Board of Victim Services. The State Coordinator provides staff support to the State Board on victim service matters while providing technical assistance to local public and private programs that provide victim assistance. The State Coordinator also performs research and gathers data on victims and victim assistance programs, and disseminates that data to the public.

Victim Rights Compliance Coordinator (Coordinator)

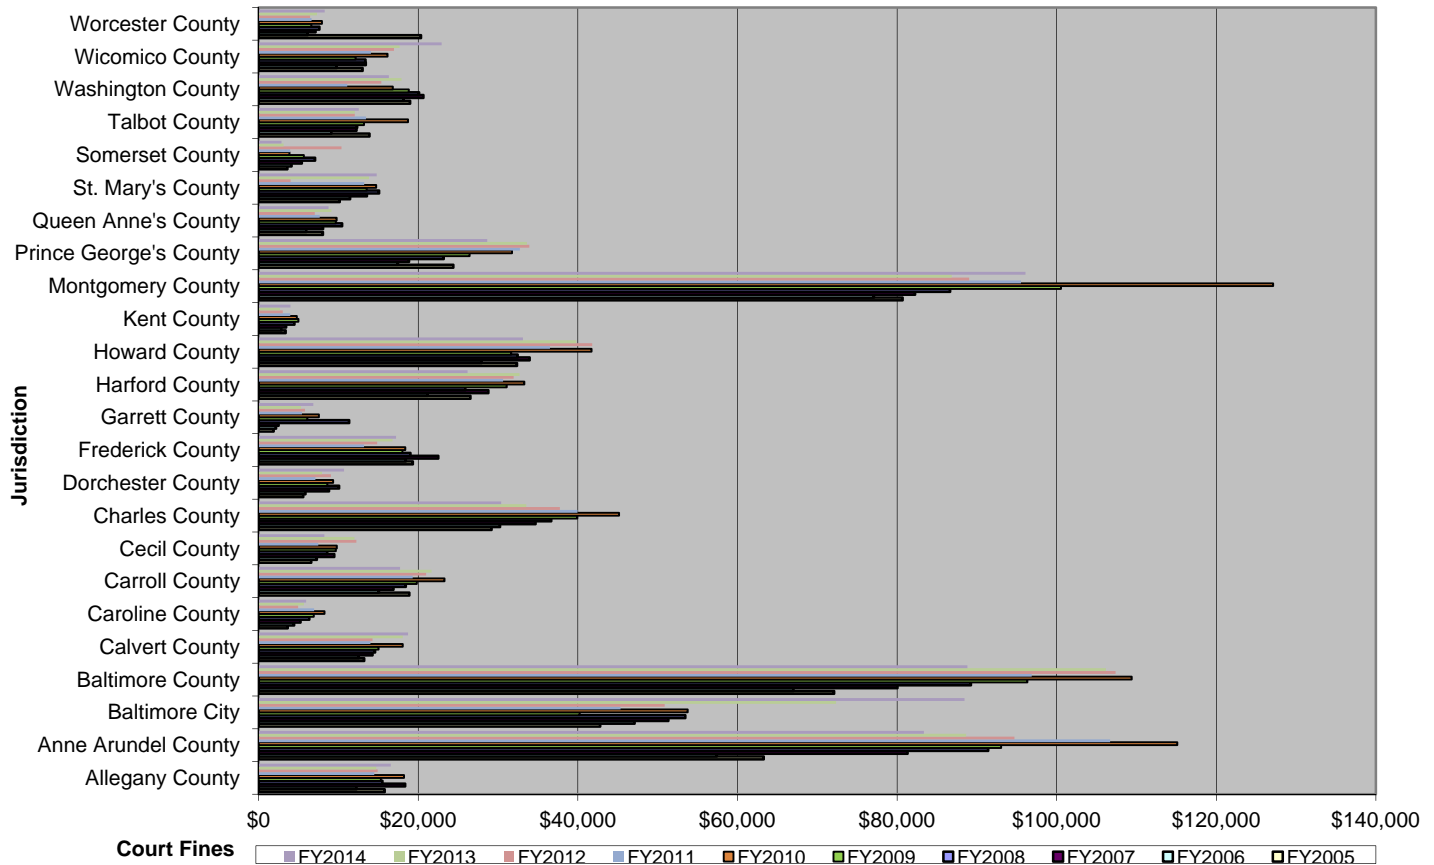

The Coordinator serves as an assistant to the State Coordinator, and performs as a specialist (expert) on victims' rights to advise criminal justice agencies. The Coordinator acts to promote and facilitate voluntary, efficient and effective compliance with laws; analyzes agency implementation practices, policies, procedures, and tools; recommends and resolves complicated questions and problems between victims and service providers in a non-adversarial manner through the State Board's Compliance Initiative. The Coordinator recommends, develops and provides training to professionals and the general public, as needed and practicable.

MVOC Program Assistant

The Program Assistant provides support to the State Coordinator and assists with all aspects of the Maryland Victims of Crime (MVOC) grant cycle process. The Program Assistant also assists with related State events for Annual National Crime Victim Rights Week and assists the Coordinator with the Compliance Initiative Toll-Free Call Line.
