BOARD OF ENVIRONMENTAL HEALTH SPECIALISTS

ANNUAL REPORT

July 2023 – June 2024

The State Board of Environmental Health Specialists (the “Board”) operates under the provisions of Title 21 of the Health Occupations Article, Annotated Code of Maryland and is the licensing authority of environmental health specialists in the State of Maryland. The Board is mandated to protect the public by regulating the practice of environmental health work in Maryland, by licensing qualified environmental health specialists, establishing fees, maintaining a current roster of all licensees, administering licensing examinations, enforcing current statutes and regulations, adopting new regulations to carry out provisions of the Title, suggesting new changes to the Title to keep abreast of trends and practice issues, adopting standards of practice for environmental health work, verifying credentials, issuing licenses, establishing requirements for and verifying completion of continuing education, investigating complaints based on alleged violations of regulations and statutes, formal and informal disciplining of licensees, and creating committees as deemed appropriate to advise the Board. As of July 1, 2021, the Board became general funded. The Board consists of 9 members appointed by the Governor with the advice of the Secretary and the advice and consent of Senate. Seven members of the Board are licensed environmental health specialists and two are consumer members.

BOARD MEMBERS:

Sherry Williams, EHS, Board Chair, Department of Health
Bevin Barnaba, EHS, Vice Chair, Private Industry
