

**BOARD OF DIETETIC PRACTICE
ANNUAL REPORT
July 2020 - June 2021**

The Maryland State Board of Dietetic Practice functions under the Maryland Dietitians and Licensed Nutritionists Act, Health Occupations Article, Title 5, Annotated Code of Maryland. The State Board of Dietetic Practice (the "Board") is the licensing authority of dietitians - nutritionists in the State of Maryland. The Board is mandated to regulate the practice of dietetics in Maryland by licensing qualified dietitian-nutritionists, establishing fees, maintaining a current roster of all licensees, promulgating regulations for the practice of dietetics, verification of credentials, issuance of licenses, establish requirements for and verification of completion of continuing education, investigation of complaints based on alleged violations of regulations and statutes, formal and informal disciplining of licensees, create committees as deemed appropriate to advise the Board, and submit an annual report to the Governor and Secretary. The program is 100% special funded exclusively from revenues generated by licensing fees. The Board consists of nine members appointed by the Governor with the advice of the Secretary and with the advice and consent of the Senate. Seven members of the Board are licensed dietitian-nutritionists. Two members are consumers who represent the public.
