Good afternoon,

State Finance and Procurement § 15-111 states that:

*(a) Reports by primary procurement units -- Required. -- Within 90 days after the end of each fiscal year, each primary procurement unit shall submit to the Governor and to the General Assembly a report on each procurement contract that was awarded during the preceding fiscal year and:*

- (1) was exempt from the notice requirements of § 13-103 (c) of this article because the procurement officer reasonably expected that the procurement contract would be performed entirely outside this State and the District of Columbia;*
- (2) cost more than \$ 100,000 and was awarded for the procurement of services, construction related services, architectural services, or engineering services; or*
- (3) was awarded on the basis of:*
  - i. § 13-107 of this article ("Sole source procurement");*
  - ii. § 13-108(a) of this article ("Emergency procurement"); or*
  - iii. § 13-108(c) of this article ("Expedited procurement").*

*(b) Reports by primary procurement units -- Contents. --*

- (1) A report required under subsection (a)(2) or (3) of this section shall include:*

- i. *the name of each contractor;*
- ii. *the type and cost of the procurement contract; and*
- iii. *a description of the procurement.*

(2) *A report required under subsection (a)(3) of this section also shall describe the basis for the award.*

Five (5) copies of each have been forwarded to DLS library.

If you have any questions please let me know.
