RE: Report required by Public Safety Article 5-312, Handgun Permit Application Process, MSAR# 14973

Dear Governor Moore, President Ferguson, and Speaker Jones:

In accordance with the Public Safety Article, Section 5-312, the Maryland Department of State Police (MDSP) submits the Handgun Permit Application Report. The information required in the report is disaggregated by an applicant's county of residence, race, age, and gender. Although ethnicity is required to be disaggregated with the other data, the MDSP does not capture ethnicity on the wear and carry permit application. The time frame covered is November 16, 2024 through November 15, 2025.

The report details:

- i. the total number of permit applications that were submitted to the secretary within the previous year,
- ii. the total number of permit applications that were granted by the secretary within the previous year,
- iii. the total number of permit applications that were denied by the secretary within the previous year,
- iv. the total number of permit applications that were revoked within the previous year, and
- v. the total number of permit applications filed with the secretary that are pending at the time of the issuance of the report.

An executive summary sheet has also been included to aid in statistical understanding. Should you or any member of the committees have any additional questions or concerns, please do not hesitate to contact my office by email at msp.superintendent@maryland.gov or by telephone at 410-653-4219.

Sincerely,

Colonel Michael A. Jackson
Acting Superintendent
