RE: MSAR #6505, HU § 10-310, Annual Report for the Interagency Committee on Aging Services (IAC)

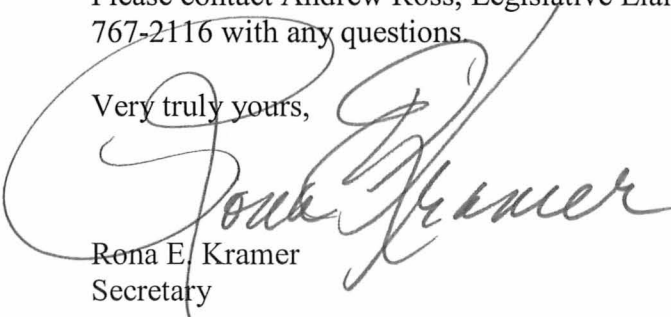

Dear President Miller and Speaker Busch:

The Maryland Department of Aging respectfully submits this letter which serves as the report for the Interagency Committee on Aging Services (IAC) for 2014 as required under Human Services Article § 10-310.

The IAC met once during 2014 and discussed the importance of Maryland Access Point as a gateway to services and programs for older adults, individuals with disabilities, and their caregivers. Issues raised included mental health, public guardianship, and serving consumers with hearing and language differences. The participants agreed to continue communicating to ensure there are coordinated supports for older adults and adults with disabilities at the local level.

Please contact Andrew Ross, Legislative Liaison, at andrew.ross@maryland.gov or 410-767-2116 with any questions.

Very truly yours,

Rona E. Kramer
Secretary
