RE: MSAR #6506 - HU § 10-606 - Annual Report for the Innovations in Aging Services Program 2014, 2015, 2016 and 2017

Dear Governor Hogan, President Miller and Speaker Busch:

This letter is in reference to the Annual Report for the Innovations in Aging Services Program as required under Human Services § 10-606.

The Maryland Department of Aging works with state, local and private partners to identify opportunities to expand services to older adults and does so through existing funding. The Innovations in Aging Services Program as outlined in Human Services § 10-606 has not been funded. This letter shall serve in place of the Innovations in Aging Services Program Annual Report for 2014, 2015, 2016 and 2017.

Please do not hesitate to contact my office if you have any questions.

Very truly yours,
