RE: MSAR #6504, HU § 10-705(3), SB6/Ch. 3(2), 2007; 2015 Family Caregiver Assistance Program

Dear Governor Hogan:

The Maryland Department of Aging respectfully submits this letter which serves as the 2015 report for the Family Caregiver Assistance Program (FCAP) as required under Human Services Article § 10-705(3).

The Maryland Department of Aging works closely with local Area Agencies on Aging and caregiver coordinating councils to connect caregivers to available resources. Due to the availability of federal funds for a similar program, FCAP has not been funded. This letter shall serve in place of the FCAP report for FY 2015.

Please contact Andrew Ross, Legislative Liaison, at andrew.ross@maryland.gov or 410-767-2116 with any questions.

Very truly yours,

Rona E. Kramer
Secretary
