**Re: *FY20 Report Workforce Development  
Sequence Scholarships***  
Report #11684

Dear President Ferguson and Speaker Jones:

As stated in §18-3304 of the Education Article of the Annotated Code of Maryland:

On or before December 1, 2020, and each December 1 thereafter, the Commission shall report to the General Assembly, in accordance with § 2–1257 of the State Government Article, on:

- (1) The number of students who received a Workforce Development Sequence Scholarship;
- (2) The amount of the award made to each recipient;
- (3) The community college that the recipient attended;
- (4) The workforce development sequence in which the recipient enrolled; and
- (5) The registered apprenticeship program in which the recipient participated

The Workforce Development Sequence Scholarship Program (WDSS) is designed to provide financial assistance to students enrolling in an approved non-credited certificate program leading to apprenticeships, employment, licensure, or job skill enhancement only at a participating Maryland Community College.

In FY 2020 the annual appropriation in the Workforce Development Sequence Scholarship program was \$1 million. Annually the Maryland Higher Education Commission (MHEC), Office of Student Financial Assistance (OSFA) allocates equally among the 16 community colleges up to 50 percent of the annual dollar appropriation in the WDSS program. The remaining amount is allocated proportionately to participating community colleges based upon student enrollment as follows:

(1) Each college's most recent FTE enrollment in workforce development sequences, based upon the previous year's Enrollment Report for Credit Courses (CC2 report) and Enrollment Report for Equated Credit Continuing Education Courses (CC3 report), shall be divided by the total FTE enrollment for all workforce development sequences offered by all participating colleges; and

(2) The percentage derived from the calculation is multiplied by the total number of awards (in \$2,000 increments) not allocated, and the result shall be the additional allocation to the college.

In FY 2020 the second year of the WDSS program the community colleges reported a total of 697 students received the WDSS award at the 16 community colleges. Below you will find exhibits that detail the award distribution by institution for each student awarded, the amount awarded to each recipient, and the workforce development sequence in which the recipient enrolled or registered apprenticeship program.
