The Honorable Lawrence J. Hogan, Jr., Governor  
State House  
100 State Circle  
Annapolis, Maryland 21401

Re: Report required by State Government Article § 23-509 (MSAR # 11311)

Dear Governor Hogan:

Section § 23-509 of the Education Article, Annotated Code of Maryland, provides for a grant program in the Maryland State Library (MSL) Agency, established as an independent State agency on July 1, 2017, to assist in the funding of public library capital projects. Statute mandates that \$5,000,000 be included in the Governor's Capital Budget for this program each year, with an Annual Report to the Governor provided by the State Library Board on or before October 1. I am pleased to provide the attached report for FY2017 and thank you for your ongoing support of this very successful program.

Maryland's public libraries support economic growth by providing resources for job seekers and small businesses. They deliver computer training and access, along with educational programs and library materials in both print and digital formats. Goals of the grant program include geographic diversity in distribution of the awards as well as a wealth-based match formula to encourage local jurisdictions to fund urgent and necessary public library development across the State. The grant program continues to meet the goal of geographic diversity in the distribution of awards. During the first 10 years of the program, twenty one (21) public library systems including Allegany, Anne Arundel, Baltimore, Carroll, Caroline, Cecil, Charles, Dorchester, Frederick, Harford, Howard, Kent, Montgomery, Prince George's, St. Mary's, Somerset, Talbot, Washington, Wicomico and Worcester Counties along with Baltimore City have received grant awards for capital improvements. While Calvert and Garrett Counties have not yet requested grant funds, Queen Anne's County received funding in FY2018 to renovate and expand the Kent Island Library.

Upon completion of current projects through FY2018, **the State's investment of \$50,025,000 will have generated more than \$300,000,000 in local matching funds** since the inception of the program. Six (6) new state of the art library facilities are currently underway in Anne Arundel, Cecil, Frederick, St. Mary's, Washington, and Worcester Counties with support from the State. Again, thank you for your support of public libraries in Maryland. If I can be of any further assistance please do not hesitate to call me at 443-686-9352.

Page 2

The Honorable Lawrence Hogan

Report required by State Government Article § 23-509 (MSAR # 11311)

Sincerely,

Irene M. Padilla  
State Librarian
