The Honorable Thomas V. "Mike" Miller, Jr., President, Maryland Senate
The State House
Annapolis, Maryland 21401

Dear Speaker Busch and President Miller,

As you know, under the State Finance & Procurement Article § 2-206(f)(2), the Rural Maryland Council is required to submit an Annual Report for the Maryland Agricultural Education and Rural Development Assistance Fund (MAERDAF). In Fiscal Year 2012, there was no appropriation for MAERDAF; therefore, there is no report.

Please let me know if you need additional information or if you need anything further from me. Thank you.

Sincerely,

A handwritten signature in cursive script, appearing to read "Charlotte Davis".
