Dear Chairmen Kasemeyer, McIntosh, Guzzone, and Barnes:

As required by the 2008 Divestiture from Iran and Sudan Act (the "Act"), I am submitting the required semi-annual report for the period October 1, 2017 through March 31, 2018 (the "Reporting Period"). This report, prepared by the Maryland State Retirement and Pension System, describes the actions taken by the System as a result of the Act, which is codified at State Personnel and Pensions Article §21-123.1(g) under the provisions of Chapter 342 of the Acts of 2008 (SB 214). The report is submitted in accordance with the State Government Article §2-1246 of the Annotated Code of Maryland. The report designation is MSAR #6882.

The Act requires that the Board of Trustees review its investments to determine "the extent to which funds in eligible accounts are invested in companies doing business in Iran or Sudan." The Act states that the Board shall divest itself of any company doing business in Iran or Sudan, or in any security issued by Iran or Sudan, and may not make any new investments in any company that is doing business in Iran or Sudan; provided, however, that the Act does not require the Board of Trustees to take action unless the Board of Trustees determines, in good faith, that the action is consistent with the fiduciary responsibilities of the Board of Trustees as described in the State pension article. In addition, the Act requires that the Board submit a report describing its compliance with the Act to the Senate Budget and Taxation and House Appropriations Committees as well as the Joint Committee on Pensions semi-annually.

This report includes the following:

1. a summary of correspondence with companies engaged by the Board of Trustees during the Reporting Period;
2. all divestment actions taken by the Board of Trustees during the Reporting Period in accordance with the Act;

**Maryland State Retirement and Pension System**  
**Implementation of the 2008 Divestiture from Iran and Sudan Act**  
**(Annotated Code of Maryland, State Personnel and Pensions Article, § 21-123.1)**  
**As of March 31, 2018**

The 2008 Divestiture from Iran and Sudan Act (the “Act”) requires the Board of Trustees of the Maryland State Retirement and Pension System (the “Retirement System”) to submit semi-annual reports to the Senate Budget and Taxation and House Appropriations Committees as well as the Joint Committee on Pensions regarding the Retirement System’s implementation of the Act, which is codified at SPP § 21-123.1 of the Annotated Code of Maryland.

The Act requires that the Board of Trustees of the Retirement System (the “Board of Trustees”) review its investments to determine “the extent to which funds in eligible accounts are invested in companies doing business in Iran or Sudan.” An “eligible account” is an actively managed separate account. The Act states that the Board of Trustees shall divest itself of any company doing business in Iran or Sudan, or in any security issued by Iran or Sudan, and may not make any new investments in any company that is doing business in Iran or Sudan; provided, however, that the Act does not require the Board of Trustees to take action unless the Board of Trustees determines, in good faith, that the action is consistent with the fiduciary responsibilities of the Board of Trustees as described in the State pension article.

This is the required semi-annual report for the period commencing October 1, 2017 and ending March 31, 2018 (the “Reporting Period”), and includes the following:

- 1) A summary of correspondence with companies engaged by the Board of Trustees during the Reporting Period;
- 2) All divestment actions taken by the Board of Trustees in accordance with the Act during the Reporting Period;
- 3) A list of companies doing business in Iran or Sudan which the Board of Trustees has determined during the Reporting Period to be ineligible for investments of net new funds under the terms of the Act; and
- 4) Other developments relevant to investment in companies doing business in Iran or Sudan.

The information presented to the Board of Trustees and its Corporate Governance Committee considers a wide array of factors, including:

1. Explicit/initial and implicit/ongoing divestment costs on both an individual and aggregate level;
2. Company impact on aggregate, fund-level returns and managers; and
3. Representation of companies in the relevant investment benchmarks, including:
  - i. Representation of companies in sectors and industries; and
  - ii. Representation of companies in various investment benchmarks.

B. MSCI ESG has informed the Retirement System, as of January 19, 2018, that Regency Mines is no longer involved in oil related activities in Iran. Therefore, Regency Mines does not meet the requirements of SPP § 21-123.1 and is no longer restricted from investment by the Retirement System.

C. The Board of Trustees recognizes that it has a continuing monitoring and reporting obligation. MSCI ESG is providing ongoing monitoring services, and the general investment consultant, State Retirement Agency staff, and legal counsel will continue to assist the Corporate Governance Committee in reviewing matters regarding the Act.
