Dear Chairmen Guzzone, McIntosh, Elfreth, and Jackson:

As required by the 2008 Divestiture from Iran and Sudan Act (the "Act"), I am submitting the required semi-annual report for the period October 1, 2019 through March 31, 2020 (the "Reporting Period"). This report, prepared by the Maryland State Retirement and Pension System, describes the actions taken by the System as a result of the Act, which is codified at State Personnel and Pensions Article §21-123.1(g) under the provisions of Chapter 342 of the Acts of 2008 (SB 214). The report is submitted in accordance with the State Government Article §2-1246 of the Annotated Code of Maryland. The report designation is MSAR #6882.

The Act requires that the Board of Trustees review its investments to determine "the extent to which funds in eligible accounts are invested in companies doing business in Iran or Sudan." The Act states that the Board shall divest itself of any company doing business in Iran or Sudan, or in any security issued by Iran or Sudan, and may not make any new investments in any company that is doing business in Iran or Sudan; provided, however, that the Act does not require the Board of Trustees to take action unless the Board of Trustees determines, in good faith, that the action is consistent with the fiduciary responsibilities of the Board of Trustees as described in the State pension article. In addition, the Act requires that the Board submit a report describing its compliance with the Act to the Senate Budget and Taxation and House Appropriations Committees as well as the Joint Committee on Pensions semi-annually.

This report includes the following:

1. a summary of correspondence with companies engaged by the Board of Trustees during the Reporting Period;

Maryland State Retirement and Pension System
Implementation of the 2008 Divestiture from Iran and Sudan Act
(Annotated Code of Maryland, State Personnel and Pensions Article, § 21-123.1)
As of March 31, 2020

The 2008 Divestiture from Iran and Sudan Act (the “Act”) requires the Board of Trustees of the Maryland State Retirement and Pension System (the “Retirement System”) to submit semi-annual reports to the Senate Budget and Taxation and House Appropriations Committees as well as the Joint Committee on Pensions regarding the Retirement System’s implementation of the Act, which is codified at SPP § 21-123.1 of the Annotated Code of Maryland.

The Act requires that the Board of Trustees of the Retirement System (the “Board of Trustees”) review its investments to determine “the extent to which funds in eligible accounts are invested in companies doing business in Iran or Sudan.” An “eligible account” is an actively managed separate account. The Act states that the Board of Trustees shall divest itself of any company doing business in Iran or Sudan, or in any security issued by Iran or Sudan, and may not make any new investments in any company that is doing business in Iran or Sudan; provided, however, that the Act does not require the Board of Trustees to take action unless the Board of Trustees determines, in good faith, that the action is consistent with the fiduciary responsibilities of the Board of Trustees as described in the State pension article.

This is the required semi-annual report for the period commencing October 1, 2019 and ending March 31, 2020 (the “Reporting Period”), and includes the following:

- 4) Other developments relevant to investment in companies doing business in Iran or Sudan.

At this time, the Retirement System is awaiting response from the engaged companies.
