Dear Senator Kasemeyer and Delegate Conway:

In accordance with the requirement noted on page 110 of the *Joint Chairmen's Report on the Operating Budget and the State Capital Budget and Related Recommendations, 2011 Session* to report on the number of Maryland State Department of Education loaned educator contracts and any conversion of these personnel to regular positions by December 15, 2011 and annually thereafter, I am submitting this report.

As of December 1, 2011, the Maryland State Department of Education is engaged in 24 loaned educator contracts; thus, of a total of 1,577 MSDE personnel, 24 are loaned educators. The attached listing represents the current census report on loaned educator contracts and includes job function, title, salary, fund source(s) for the contract, first year of the contract and the number of years the loaned educator has been engaged by the state, and whether the educator files a financial disclosure statement.

Six loaned educator contracts have been eliminated since last year's December report. Of these, three loaned educators have returned to their local school systems. The remaining loaned educators, three in number, have converted to regular positions. Two of these conversions were to PINs created for this purpose in FY 2012. The third conversion was to a PIN vacated by an MSDE employee.

The contributions of local experience and expertise that our loaned educators bring to the work of the Department is significant, and we will continue to explore ways in which we can capitalize on these strengths while meeting the goal of limiting their involvement to special, short-term projects, where local talent is a necessity. Should you have any questions regarding the information contained in this report, please contact Mr. Stephen Brooks, Deputy State Superintendent for Finance (410-767-0011; steve.brooks@msde.state.md.us). Thank you for your ongoing efforts on behalf of a strong public education for all of Maryland's children.

Sincerely,

Bernard J. Sadusky, Ed.D.
Interim State Superintendent of Schools
