Dear Senator Kasemeyer and Delegate Conway:

I am submitting this report in accordance with the requirement noted on page 98 of the 2012 *Joint Chairmen's Report on the Operating Budget and the State Capital Budget and Related Recommendations*. The Maryland State Department of Education (MSDE) is required to report on the number of loaned educator contracts and any conversion of these to regular positions by December 15, 2012 and annually thereafter.

As of December 1, 2012, the Maryland State Department of Education is engaged in 21 loaned educator contracts; thus, of a total of 1,478 MSDE personnel, 21 are loaned educators. The attached listing represents the current census report on loaned educator contracts and includes job function, title, salary, fund source(s) for the contract, first year of the contract, the number of years the loaned educator has been engaged by the state, and whether the educator files a financial disclosure statement.

Three loaned educator contracts have been eliminated since last year's December report. All three returned to their local school systems. No loaned educators converted to regular positions this year since we were unable to obtain PINs created for this purpose. While additional PINs could have further reduced the number of contracts, we are pleased nonetheless to note the progress made from 78 loaned educators in 2008 to this year's 21.

The contributions of local experience and expertise that our loaned educators bring to the work of the Department are significant. We will continue to explore ways in which we can capitalize on these strengths while meeting the goal of limiting their involvement to special, short-term projects where local talent is a necessity. Should you have any questions regarding the information contained in this report, please contact Mr. Stephen Brooks, Deputy State Superintendent for Finance (410-767-0011; steve.brooks@msde.state.md.us). Thank you for your ongoing efforts on behalf of a strong public education for all of Maryland's children.

Sincerely,

Lillian M. Lowery, Ed.D.
State Superintendent of Schools
