Guide to Using the Compilation of Changes in the Public Local Laws of the Counties and Baltimore City

General Purpose

This cumulative compilation of changes to the codes of public local laws lists county laws that have *not* been incorporated and published in a supplement or new edition of a local code as of January 2013. It is prepared annually by the Department of Legislative Services, in accordance with § 2-1245 of the State Government Article of the Annotated Code of Maryland. The compilation is prepared to serve as a guide to the status of the public local laws of the counties and Baltimore City received by the Department of Legislative Services but not published by January 2013 and to point the user to the source for the text of a particular public local law that has not yet been published in a local code or supplement to it.

How Public Local Laws Are Cited

Chapter and year references in this document generally refer to those public local laws codified in county codes but which were passed by the General Assembly.

Provisions showing only a *year and page number* were enacted by the jurisdictions that have local home rule authority. In those instances, the page references are to the pages in the Laws of Maryland published by the Department of Legislative Services that contain the titles, but not the full text, of the enactments of the charter and code home rule counties. Specifically, those page references are found in appendices A and B of the Laws of Maryland.

The full text of public local laws enacted by home rule authority counties and reflected in this compilation is available in the library of the Department of Legislative Services.

At the top of each county's listing, there is an indication whether the jurisdiction is a code home rule county, a charter home rule county, or a nonhome rule county.

References to Municipal Corporations

For informational purposes, the compilation lists the municipal corporations within each county, along with their chapter and volume references in the November 2008 Edition, as amended, of the *Compilation of Municipal Charters*.

A municipal corporation that is located in part of two counties is indicated under one county by asterisks along with the name of the second county in which that municipal corporation is located.

Why No Information Is Indicated for Certain Counties

In the cases of Caroline, Carroll, Dorchester, Frederick, Harford, Queen Anne's, Wicomico, and Worcester counties, no information with respect to changes is set forth because those counties have completely incorporated and published the most recent changes to their codes in a supplement or new edition. The editions and supplements indicated are as of the date of publication of this compilation.

With regard to Garrett County, in 2005 the county governing body enacted a new code of public local laws in which there was a significant renumbering and reorganization of those laws. However, in the interest of providing information to help in locating where some of the former provisions are now codified, the compilation has set out those section references listed by former section numbers and shows the new section numbers in parentheses.
