Mandated Report Specialist  
Legislative Services Building  
Maryland General Assembly  
90 State Circle  
Annapolis, MD 21401

Dear Mandated Report Specialist:

Pursuant to House Bill 1005 passed in 2011 and § 2-1246 of the State Government Article, here submitted is the report from the University of Maryland, Department of Transportation Services regarding the implementation of transportation services programs with the Cities of Greenbelt and College Park, Maryland.

The University of Maryland, Department of Transportation Services (hereafter DOTS) operates 24 transit bus routes in and around the College Park campus. Service is provided to conveniently access the entire campus community, downtown College Park, housing complexes with high concentration of student residents, nearby retail locales, three Metro stations and the University System of Maryland Universities at Shady Grove.

As outlined in an executed memorandum of understanding (hereafter MOU) with the City of College Park, MD (hereafter CPC), CPC residents are allowed access to all publicly scheduled transit routes as per above for a \$6,000 annual fee. This covered issuance of 1,000 passes to CPC residents by CPC staff produced at their cost. CPC residents are required to present these issued passes to bus drivers upon entering busses as validation of residency and approval to utilize services. This service supports local commerce, the university's strategic plan of building closer relationship with CPC residents and joint sustainability initiatives with CPC. A copy of the MOU, which includes an indemnification agreement, is included with this submission.

As of mid-December 2014, year to date ridership was 253. For the 2013 calendar year, ridership was 632.

With the City of Greenbelt, MD (hereafter GB), GB residents are allowed access to all publicly scheduled transit routes as per above for a \$4,452 annual fee. This covered issuance of 1,000 passes to GB residents by GB staff produced at their cost. GB residents are required to present these issued passes to bus drivers upon entering busses as validation of residency and approval to

utilize services. This service supports local commerce, the university's strategic plan of building closer relationship with GB residents and joint sustainability initiatives with GB. A copy of the MOU, which includes an indemnification agreement in section 6, is included with this submission.

As of mid-December 2014, year to date ridership was 332. For the 2013 calendar year, ridership was 505.

DOTS complies with all vehicle safety and inspection standards which govern our operations. This includes, but is not limited to, the Rules and Regulations of the United States Department of Transportation Federal Motor Carrier Safety Administration, in addition to the State of Maryland Preventive Maintenance Program, Annotated Code of Maryland Transportation Article, Title 23, Subtitle 3 in the Code of Maryland Regulations 11.22.

As of year to date December 2013 there were a total of 73 claims reported to the State of Maryland resulting from DOTS operations, as reported by the University Environmental Safety Office. The detailed report is included in this submission.

We are excited to continue providing services to both CPC and GB residents and forging bonds with CPC and GB administration. We thank the Maryland General Assembly for its support.

Sincerely,

Joel Solorzano  
Business Manager  
Department of Transportation Services

DEPARTMENT OF  
TRANSPORTATION SERVICES

**MEMORANDUM OF UNDERSTANDING  
BETWEEN  
UNIVERSITY OF MARYLAND, DEPT OF TRANSPORTATION SERVICES  
AND  
THE CITY OF GREENBELT, MARYLAND**

This Memorandum of Understanding is entered into by and between the Department of Transportation Services (DOTS), University of Maryland College Park and The City of Greenbelt, Maryland (GB) effective the 1st day of September, 2014. This is a Memorandum of Understanding, which is not a legal document. It expresses an interest in performing services for a fee, but does not legally obligate either party.

In consideration of the mutual promises and undertakings herein, the parties hereto agree as follows:

1. Beginning September 1, 2014 through August 31, 2015, residents and employees of GB in possession of a prescribed identification card issued by GB will be allowed access to all publicly scheduled shuttle routes operated by DOTS.
2. For the above shuttle bus services, GB agrees to pay DOTS \$4,452, which is due by December 31, 2014. This fee allows transit access to residents of Greenbelt excluding up to 500 University of Maryland students residing in the Franklin Park apartment complex who already have bus access. The annual rate covers up to 1,000 passes. DOTS will provide ridership data in quarterly increments. Based on these periodic ridership reports and/or feedback from GB, if trends project annual ridership to exceed 1,000 annual passes, negotiated rates for excess usage will need to be agreed upon in writing within 45 days of notice.
3. Either party may terminate this agreement by providing written notice of termination 60 days prior to the stated termination date. All notices shall be in writing and shall be delivered by messenger or recognized overnight courier, or shall be sent by registered or certified mail return-receipt requested, in each instance to the respective addresses set forth below, or to such other address or addresses as respective party may designate by written notice duly sent to the other. Any other changes to this agreement, by either party, must be in writing and agreed upon by both parties.

GB: Michael P. McLaughlin  
City Manager  
City of Greenbelt  
25 Crescent Road  
Greenbelt, Maryland 20770

DOTS: J. David Allen  
Director  
University of Maryland  
Department of Transportation Services  
Regents Drive Garage, Building 202  
College Park, MD 20742

4. Although the Department of Transportation Services will make every effort to meet the terms of this agreement, there may be instances that service may not be provided without notice due to safety concerns associated with severe weather or other emergencies.
  
5. DOTS and the University of Maryland shall indemnify and hold the City harmless from and against all actions, liability, claims, suits, damages, risk of loss, costs or expenses of any kind which may be brought or made against the City or which the City must pay and incur by reason of or in any manner resulting from the negligence of DOTS / the University of Maryland or its agents or employees, or its negligent performance of or failure to perform any of the obligations under the terms of this agreement, including reasonable attorney's fees, howsoever arising or incurred, for damage to property or injury to or death of any person. Indemnification shall be contingent upon an appropriation by the Maryland General Assembly to the University specifically for the purposes contemplated in this paragraph at the time an event which may give rise to the University's obligation to indemnify or save harmless occurs, and to the extent that a tortious claim is involved, the University's obligations shall not be greater than the liability that might be determined under the Maryland Tort Claims Act, Section 12-101 et seq. of the State Government Article, Maryland Annotated Code (the "Act"), if the claim had been asserted against the University directly pursuant to the Act.

**MEMORANDUM OF UNDERSTANDING  
BETWEEN  
UNIVERSITY OF MARYLAND, DEPT OF TRANSPORTATION SERVICES  
AND  
THE CITY OF COLLEGE PARK**

This Memorandum of Understanding is entered into by and between the Department of Transportation Services (DOTS), University of Maryland College Park and The City of College Park, Maryland (the City) effective the 1st day of September, 2014. This is a Memorandum of Understanding, which is not a legal document.

In consideration of the mutual promises and undertakings herein, the parties hereto agree as follows:

1. Beginning September 1, 2014 through September 1, 2015, residents and employees of the City in possession of a prescribed identification card issued by the City will be allowed access to all publicly scheduled shuttle routes operated by DOTS.
2. For the above shuttle bus services, the City agrees to pay DOTS \$6,000, which is due by December 31, 2014. The annual rate covers up to 1,000 passes. DOTS shall provide the City with annual ridership data. The City shall keep a record of the total number of passes distributed during the agreement term. If the total number of annual passes distributed reaches 1,000, the City shall notify DOTS which will authorize the City to issue additional passes in increments of 100 at no added cost to the City.
3. Either party may terminate this agreement by providing written notice of termination 60 days prior to the stated termination date. All notices shall be in writing and shall be delivered by messenger or recognized overnight courier, or shall be sent by registered or certified mail return-receipt requested, in each instance to the respective addresses set forth below, or to such other address or addresses as respective party may designate by written notice duly sent to the other. Any other changes to this agreement, by either party, must be in writing and agreed upon by both parties.

4. Although the Department of Transportation Services will make every effort to meet the terms of this agreement, there may be instances that service may not be provided without notice due to safety concerns associated with severe weather or other emergencies.
5. In compliance with Section 2 of House Bill 1005, § 2-1246 of the State Government Article, approved by Governor Martin O'Malley on 5/10/11, DOTS shall report on the implementation of the above program with the City to the Senate Finance Committee and the House Economic Matters Committee by 12/31/14.
6. DOTS and the University of Maryland shall indemnify and hold the City harmless from and against all actions, liability, claims, suits, damages, risk of loss, costs or expenses of any kind which may be brought or made against the City or which the City must pay and incur by reason of or in any manner resulting from the negligence of DOTS / the University of Maryland or its agents or employees, or its negligent performance of or failure to perform any of the obligations under the terms of this agreement, including reasonable attorney's fees, howsoever arising or incurred, for damage to property or injury to or death of any person. Indemnification shall be contingent upon an appropriation by the Maryland General Assembly to the University specifically for the purposes contemplated in this paragraph at the time an event which may give rise to the University's obligation to indemnify or save harmless occurs, and to the extent that a tortious claim is involved, the University's obligations shall not be greater than the liability that might be determined under the Maryland Tort Claims Act, Section 12-101 et seq. of the State Government Article, Maryland Annotated Code (the "Act"), if the claim had been asserted against the University directly pursuant to the Act.

UMCP Department of Transportation Services  
 Accident Reported  
 January 1, 2014- December 1, 2014

From January 1-December 1, 2014, there were a total of 98 claims reported to the State of Maryland for resulting from UMCP Department of Transportation operations. There were 44 claims reported to the UMCP insurance Coordinator's office with potential liability exposure for the University of Maryland based on our UMCP driver's at fault actions. These claims were determined to be at-fault by police reports, driver's admission, and/or from the states investigation. Per the insurance coordinator's records, only 6 of these claims have been settled by the State of Maryland totaling \$4,516.51; and the remaining claims could still be in process under the Maryland Tort Claims Act for which a claimant has up to (1) year from the date of loss to make a claim.

Additionally, there were 54 accidents that were not considered to be at-fault of a UMCP driver but could result in potential liability exposure for the University of Maryland if the claim is disputed by the third parties involved.

The details of the accidents are noted in the tables as reported to the UMCP Insurance Coordinator, Shante Stubbs and can be reviewed under the UM claim number referenced in the table. \

98 Total; 54; not at-fault; 44 at-fault
