

**WALTER SONDHEIM JR. PUBLIC SERVICE
SUMMER INTERNSHIP SCHOLARSHIP PROGRAM**
Required Report by Education Article § 18-1705 (MSAR # 6133)
House Bill 269, Chapter 490
January 1, 2010 Report

The Walter Sondheim Jr. Public Service Summer Internship Scholarship Program was established by House Bill 269. The Shriver Center at the University of Maryland, Baltimore County (UMBC) was asked to establish and administer this program to ensure that students across Maryland would have an opportunity to intern in various nonprofit, state, and/or local government entities each summer while earning a \$3,000 scholarship.

The Shriver Center succeeded in meeting this goal through the administration and implementation of two successful internship programs on behalf of the State of Maryland under the Walter Sondheim Jr. Public Service Summer Internship Scholarship Program umbrella, which include the:

- Walter Sondheim Jr. Nonprofit Leadership Internship Program, and the
- Governor's Summer Internship Program.

DURING THE SUMMER OF 2009, THE SHRIVER CENTER PLACED:

- *THIRTY (30) students in nonprofit agencies across the state of Maryland through the Walter Sondheim Jr. Nonprofit Leadership Internship Program, and*
- *TWENTY-FIVE (25) students in Maryland State agencies through the Governor's Summer Internship Program.*

**OVERVIEW OF THE 2009 WALTER SONDHEIM JR. NONPROFIT
LEADERSHIP INTERNSHIP PROGRAM**

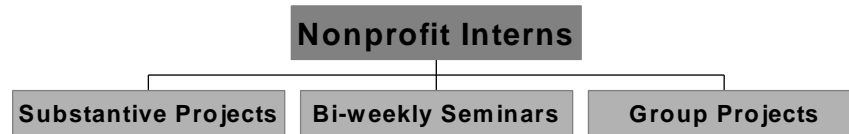

The Walter Sondheim Jr. Maryland Nonprofit Leadership Internship Program offers paid summer internship opportunities in the nonprofit sector to college juniors, seniors, and graduate students attending Maryland institutions. Participating interns work for ten weeks full-time from early June to August while participating in bi-weekly seminars in nonprofit management. Each participating student receives a \$3,000 stipend.

College and university undergraduate and graduate students from various majors are provided with an opportunity to build valuable skills, gain experience in managing and leading public service organizations, and explore career choices within this sector. In doing so, the Walter Sondheim Jr. Maryland Nonprofit Leadership Internship Program makes an important contribution to the development of the state's current and future workforce and citizenry.

The Shriver Center at the University of Maryland, Baltimore County coordinates this program in conjunction with Maryland Association of Nonprofit Organizations and the Office of the Governor.

PROGRAM STRUCTURE

The Walter Sondheim Jr. Maryland Nonprofit Leadership Internship Program has three defining components: substantive projects, bi-weekly seminars, and the development of group projects.

During ten weeks, interns work full-time on **substantive projects**, with senior level executive directors on areas that closely correspond with each intern's field of study or career interests. Duties often include attending board meetings, developing marketing materials, writing grants, and coordinating summer programs.

Interns also attend bi-weekly **seminars** designed to introduce them to the specific rewards and challenges of nonprofit management. These seminars are designed to broaden their knowledge of the nonprofit sector and their understanding of the various dimensions of successful nonprofit management. Seminar topics for Summer 2009 are included in this report.

The **development of group projects** serves as the final component of the Walter Sondheim Jr. Maryland Nonprofit Leadership Internship Program. The projects provide interns with a heightened awareness of the primary purpose of nonprofits: to serve people. The group projects include the development of mock nonprofit business plans and proposals. These nonprofit business proposals, researched in teams, are presented to their mentors and invited guests during the final intern celebration. The opportunity to present these papers at the summer's end is unique and exciting and represents the culmination of many weeks of hard work.

2009 Group Projects include:

- **Group I:** BALTIMORE FAMILY MATTERS
- **GROUP II:** JUST B'MORE!
- **GROUP III:** LITTLE HOUSE ON THE PLANET (LITTLE HOP)
- **GROUP IV:** SPEAK OUT AGAINST DOMESTIC VIOLENCE
- **GROUP V:** WELCOME 194
- **GROUP VI:** ENCORE!

RECRUITMENT AND SELECTION

Information is disseminated to colleges in late December asking them to nominate students for the Walter Sondheim Jr. Maryland Nonprofit Leadership Internship Program. Applicants must be undergraduates attending a two- or four- year university or college in Maryland. The applicants must be entering their junior or senior year and have a GPA of 3.0 or higher. All majors are encouraged to apply.

In order to attract high quality students, program participants receive a \$3,000 stipend. The stipend provides an added incentive to the interns, as it offsets the lack of income from regular summer employment.

A selection committee comprised of representatives from the Maryland Association of Nonprofit Organizations and Delegate Rosenberg review the applications in April. Applicant credentials include a resume, transcript, and a formal application. Students are selected on the basis of these materials and are notified of a decision in early May.

OUTCOMES: STATISTICS HIGHLIGHT PROGRAM’S SUCCESS

Student and host agency evaluations confirm that the 2009 Walter Sondheim Jr. Nonprofit Leadership Internship Program was a success.

Sample Quotes

“My internship at the International Social Service – USA Branch (ISS-USA) and the MD Nonprofit Leadership Program provided me with the knowledge, skills, and confidence to pursue a career in the nonprofit sector. My internship experience was very unique. I believe that being in the program reassured my mentor that I am capable of taking on responsibilities required of me-I was never given busy work! Apply for this program if you want to learn about nonprofits, exercise what you’ve learned, and establish professional contacts.” – Bahar Adili

“The Maryland Nonprofit Leadership Program is a rare opportunity to be immersed in the nonprofit world. I am thankful to those who made it possible for students like me to experience work and envision our future.” – Abby Becker

“The MD Non-Profit Leadership Program allowed me to engage and interact with working professionals in the field I was interested in. I gained knowledge and skills to help me at the next level.” – Theresa Bruce

“There are so many non-profits out there who are all hungry for interns that have the passion and knowledge to make a difference for the organization- this program as a networking vehicle is invaluable for that reason. I was treated as a professional and felt like one who could provide meaningfully for my nonprofit.” – Angelica Daniele

“This program is a great first step in the career ladder and a great place to become more confident and acquire leadership skills.” – Anastassia Doubovskaya

“The MD Nonprofit Leadership Program gave me an opportunity to engage with students of diverse interests, backgrounds and career goals in activities that both dissect and explore the inner workings of nonprofit organizations.” – Renee Gulino

“The MD Nonprofit Leadership Program shortens the learning curve of future nonprofit leaders by providing a depth of knowledge that would take years to gain on-the-job.” - Jamie Kass

“The MD Nonprofit Leadership Program was an excellent opportunity to gain hands-on experience in the nonprofit world while enhancing special skills and abilities. Anyone, in any field, can truly benefit from this program!” – Erica Rostkowski

“How exceptional to be treated like a contributing, thoughtful adult! I feel much more confident in my abilities as a grant writer and frankly, as a citizen.” – Hannah Stahl

“The MD Nonprofit Leadership Program was an amazing and life challenging experience. It gives you a great taste of entering the working world and allows you to grow so much as an individual. I am so honored to have been part of the program and I will definitely be encouraging others to apply!” – Ashley Tieperman

“The Maryland NonProfit Program is extremely well organized and provides a good overview of the world of nonprofits. The program provided me independence, leadership skills, and information that could help propel my career in this sector.” – Teja Jayanthi

OVERVIEW OF THE 2009 GOVERNOR'S SUMMER INTERNSHIP PROGRAM

The Governor's Summer Internship Program (GSIP) has the following two goals in mind:

1. To instill a knowledge and understanding of the purpose and functions of state government in the emerging leadership of the next generation; and,
2. To attract some of Maryland's best and brightest students to public service upon completion of their formal education.

The Shriver Center markets GSIP to attract up to twenty five of our state's most talented college/ university students to explore the rewards and challenges of careers in public service, specifically state government. GSIP students gain invaluable work experience in their areas of career interest through a full-time internship and develop skills in problem-solving, policy analysis, written and verbal communication, public speaking and teamwork through the program's policy paper component.

The Shriver Center at the University of Maryland, Baltimore County coordinates the program in conjunction with the Office of the Governor.

PROGRAM STRUCTURE

The Governor's Summer Internship Program has three defining components: substantive projects, site visits/seminars, and the development of group policy papers.

During ten weeks, interns work full-time on **substantive projects**, with senior level public administrators and policy makers, in departments or policy areas that closely correspond with each intern's field of study or career interests. Duties often include attending meetings, drafting correspondence, tracking legislation, and researching policy options.

Interns also attend bi-weekly **seminars and site visits** designed to introduce them to the specific rewards and challenges of public administration. These seminars are designed to broaden their knowledge of state government and heighten their appreciation and understanding of the interactive relationships between the various functions of government. Seminar topics for Summer 2009 are included in this report.

The **development of group policy papers** serves as the final component of the Governor's Summer Internship Program. It provides interns with a heightened awareness of the primary purpose of government: to serve people. The policy papers represent tangible products, and provide the students with an outlet to generate solutions to Maryland's most critical issues. These papers, researched in teams, are presented to the Governor. The opportunity to present these papers at the summer's end is unique and exciting and represents the culmination of many weeks of hard work.

2009 Policy Papers include:

- *Moving Beyond "Paper versus Plastic"*
- *America Reads Expansion Initiative*
- *SMART Solutions – Increasing Access to Effective Substance Abuse Treatment*
- *A Multi-Faceted Approach to Seeking Protection and Justice for Victims of Domestic Violence in Maryland*
- *Alternative Funding Structures for Maryland's Land Preservation Programs*

RECRUITMENT AND SELECTION

The presidents of colleges and universities in Maryland are invited by the Governor to nominate students for the Governor's Summer Internship Program three months prior to the application deadline in March. Applicants must be undergraduates attending a two- or four- year university or college in Maryland, or are Maryland residents attending an out-of-state college or university. The applicants must be entering their junior or senior year and have a GPA of 3.0 or higher. All majors are encouraged to apply.

In order to attract high quality students, program participants receive a \$3,000 stipend. The stipend provides an added incentive to the interns, as it offsets the lack of income from regular summer employment.

A selection committee comprised of representatives from the Governor's Office and several state agencies review applications in April. Applicant credentials include a resume, transcript, two letters of recommendation and a formal application. Students are selected on the basis of these materials and are notified of a decision in early May.

OUTCOMES: STATISTICS HIGHLIGHT PROGRAM'S SUCCESS

Student and host agency evaluations confirm that the Governor's Summer 2009 Intern Program was a success.

- **100%** of interns indicated that they would recommend the Governor's Summer Internship Program to other students.

Please rate your internship on the following factors:

(Average scores across program participants are presented below)

This experience gave me better insight into MD State Government	4.88
The work I performed fulfilled my expectations	4.22
There were ample opportunities for learning	4.56
I had a good working relationship with my co-workers & supervisors	4.61
The work I performed was challenging and stimulating	4.11
I utilized my academic knowledge and skills	4.33
I feel better prepared to enter my career field after this experience	4.28

Sample Quotes

“The work I did was important and makes a difference in the state government, as well as impacts all citizens of Maryland. I want to make our State a better place, and I believe this program opened my eyes to the possibilities.” Michael Buckley

“All of these assignments, in addition to others I received, were extremely interesting and I often found myself doing research above and beyond my assignment. I do feel that the work I was assigned was substantive and that the reports and charts I created will benefit MDE in the future.” Halley Estein

“The Governor’s Summer Internship Program introduced me to so many aspects of state government and public policy in just ten weeks. I learned a great deal from this experience and will definitely apply that experience to my academic pursuits and my career interests. Thank you all so much for this amazing opportunity!” Brian Frazee

“Sitting in on the StateStat meeting was a wonderful opportunity to see how the intricacies of our Maryland government works. I feel like this program is a once in a lifetime opportunity!” Aisha Hasan

“I thought the internship and program’s activities gave significant insight into Maryland’s state government. In addition, I thought that the policy paper and presentation was a very good writing and presentation exercise and was rewarding when finished.” Elizabeth Kohlway

“I got to utilize my writing skills as an English major in a way that I never have before. It was entirely a different kind of writing, but it was a lot of fun and stimulating.” Patsy Morrow

“I have already told my friends to apply to GSIP. The opportunity I had to intern at IGO was the best experience I had, because it was relevant to my interests and it really gave an opportunity to actually contribute to an office and see my results. I think the reputation of the GSIP program also gave me great opportunities to visit places such as prisons which I loved, and probably would have never had a chance to do if it wasn’t for this program.” Michelle Munzer

“Hands down the best part of GSIP is being given the opportunity to choose an office to work at from a very long and diverse list of state agencies. If you choose an office of great personal interest then the experience can be very rewarding as it was for me.” Jeremy Rothwell

“GSIP was a very fulfilling experience. The amount of time spent at the agency plus the time spent meeting with my group was extensive, but completely worth it. Giving a presentation to the Governor was fantastic!” Megan Tawes
